[Pfizer Appears to Have Corrupted the Entire Western World](#)

By [Dr. Robert Malone](#), November 09, 2022

The short clip above is important because Christine Anderson is getting at an important point, which must be researched. There is evidence that Pfizer and Pfizer's CEO Albert Bourla have corrupted government leaders worldwide. That this corruption is deep and wide.

[Italy Refusing Refugees - Human Rights Abuse? Or Pointing to Flaws in the System?](#)

By [Peter Koenig](#) and [Press TV](#), November 09, 2022

Anger is simmering over Italy's refusal to let in migrants plucked from the sea. A German rescue charity organization says it will take legal action against the Italian government for violating international law.

[The Kosovo Boomerang in International Relations](#)

By [Dr. Vladislav B. Sotirović](#), November 09, 2022

After February 2008 when Kosovo Albanian-dominated parliament proclaimed Kosovo's independence (without organizing a referendum) with obvious US diplomatic support (unilateral recognition) with the explanation that the Kosovo case is unique in the world (i.e. it will be not repeated), one can ask the question: Is the problem of the southern Serbian province of Kosovo really unique and surely unrepeatable in some other parts of the world as US administration was trying to convince the rest of the international community?

[Association Between Vaccines and Excess Mortality Getting Stronger – And Is](#)

[Discussed in UK Parliament](#)

By [Igor Chudov](#), November 09, 2022

While we will be discussing the most unwelcome news of increased death rates, I am happy to report that a leading British Member of Parliament, Andrew Bridgen brought up, in the UK parliament no less, the relationship between vaccination and excess deaths.

[The Shortages Are Coming](#)

By [Michael Snyder](#), November 09, 2022

In just a few short months, we will be three years away from the beginning of the pandemic in the United States. But instead of a “return to normal”, more shortages are on the way. And in some cases, they could even be life threatening.

[Ukraine Would be “Just a Warmup” for Washington - US Strategic Command Head](#)

By [Lucas Leiroz de Almeida](#), November 09, 2022

According to a US official, the Ukrainian tragedy appears to be just a “warmup” in the face of challenges Washington will see in the near future. US Navy Admiral Charles Richard, head of US Strategic Command, recently stated that his country has been preparing for prolonged conflicts with Russia and China.

[Is the Federal Reserve Merely Incompetent or Is There a Dark Agenda?](#)

By [Dr. Paul Craig Roberts](#), November 09, 2022

I have never known the Federal Reserve make a good decision. Indeed, disastrous decisions are the Fed’s hallmark. There are many such disasters. Among them the Great Depression, the decade long consequence of the Federal Reserve Board’s failure to prevent the shrinkage of the US money supply.
