The US would have been Hillary Clinton's next target after she and her cronies had refined in Haiti their methods to rig elections, co-opt journalists, and destroy economies. ["Anti-Americanism" in the Philippines. President Duterte's Subaltern Counter-Hegemony](#)

By [Prof. E. San Juan Jr.](#), November 14 2016

What does "anti-Americanism" mean—to be against McDonald burgers, Beyonce, I-phones, Saturday Night Live, Lady Gaga, Bloomingdale fashions, Wall Street, or Washington-Pentagon imperial browbeating of inferior nations/peoples-of-color? Duterte is suspending joint military exercises, separating from U.S. government foreign policy by renewing friendly cooperation with China in the smoldering South China Sea, and "veering" toward Russia for economic ties—in short, promoting what will counter the debilitating, predatory U.S. legacy.
