In commemoration of the 9/11 attack and the 1973 Chilean coup, we have compiled the following articles to serve as a reminder that democracy has long been backsliding in the Western world.

[9/11 After 22 years](#)

By [Dr. Paul Craig Roberts](#), September 11, 2023

Today is the 22nd Anniversary of the attack on the World Trade Center and Pentagon known as 9/11. A generation of 22-year olds has grown up after 9/11, and the event probably means nothing to them. They learn that it was an attack on America like the Japanese attack on Pearl Harbor, and 9/11 disappears into history.

In November 1970, Salvador Allende became President of Chile, he was elected by a coalition of democratic forces with a program of social progress and national sovereignty. Two months earlier, in September, President Nixon ordered the CIA to prepare a plan to prevent Allende from carrying out his program. Washington's first objective was to "blow up the Chilean economy".

[September 11, 1973: The Chile Coup: The U.S. Hand](#)

By [Peter Kornbluh](#), September 11, 2023

Since 1970, the Nixon administration had worked to de-stabilize the elected government of Socialist Salvador Allende. The CIA had laid the ground work for the coup d'etat. In view of Pinochet's recent arrest, the following article looks back a quarter century at the U.S. role in

the political violence that shook Chile.

[The Destruction of the World Trade Center: Why the Official Account of 9/11 Cannot be True](#)

By [David Ray Griffin](#), September 11, 2023

Shortly after 9/11, President Bush advised people not to tolerate “outrageous conspiracy theories about the attacks of 11 September” (Bush, 2001). Philip Zelikow, who directed the work of the 9/11 Commission, has likewise warned against “outrageous conspiracy theories” (Hansen, 2005).

[Fifty Years Ago: Chile, September 11, 1973: The Ingredients of a Military Coup](#)

By [Prof Michel Chossudovsky](#), September 11, 2023

Half a century ago on September 11, 1973, the Chilean military led by General Augusto Pinochet, crushed the democratically elected Unidad Popular government of Salvador Allende. The objective was to replace a progressive, democratically elected government by a brutal military dictatorship.

[The 9/11 Anniversary: Conspiracy Theory or Critical Thinking?](#)

By [Prof. Graeme MacQueen](#), September 11, 2023

If Bin Laden was the criminal mastermind, why didn't the FBI charge him with the crime? In 2006 an FBI spokesperson explained: the Bureau had no hard evidence connecting him to 9/11.

The key to controlling Eurasia, says Brzezinski, is controlling the Central Asian Republics. And the key to controlling the Central Asian republics is Uzbekistan. Thus, it comes as no surprise that Uzbekistan was forcefully mentioned by President George W. Bush in his address to a joint session of Congress just days after the attacks of September 11 [2001] as the very first place that the U.S. military would be deployed.

[Remembering the Other 9/11: The Chilean September 11, 1973 Coup D'Etat](#)

By [Michael Welch](#), September 08, 2023

An event taking place in the South American country of Chile 50 years ago this coming week, not only claimed the life of democratically elected President Salvador Guillermo Allende Gossens, but of 2,200 other Chileans, including social activists and students. Roughly 30,000 people were tortured in the National Stadium of Chile and other makeshift detention centres. Almost 1,500 more simply disappeared.

[9/11 News Coverage: How 36 Reporters Brought Us the Twin Towers' Explosive Demolition on 9/11](#)

By [Ted Walter](#) and [Prof. Graeme MacQueen](#), September 08, 2023

The widely held belief that the Twin Towers collapsed as a result of the airplane impacts and the resulting fires is, unbeknownst to most people, a revisionist theory. Among individuals who witnessed the event firsthand, the more prevalent hypothesis was that the Twin Towers had been brought down by massive explosions.

[9/11 Explosive Evidence. Experts Speak Out](#)

By [Richard Gage](#), September 07, 2023

According to the National Institute of Standards and Technology (NIST) — which is the U.S. government agency that investigated the World Trade Center's destruction — the Twin Towers came down “essentially in free fall.”
