By [Michael Welch](#), [Prof. Glenn Diesen](#), and [Owen Schalk](#), November 11, 2023

In the past, after the fall of the Berlin Wall and the collapse of the Soviet Union, the world breathed a collective sigh of relief. World War III was something that we thought the invention of the atomic bomb, combined with common sense had torn from the pages of human endeavour. Today, a Third World War is seen as a likely scenario.

[The US Against Hamas in Gaza, But Supports Terrorists in Syria](#)

By [Steven Sahiounie](#), November 12, 2023

The US utilized the Muslim Brotherhood fighters in Syria, and partnered with the political arm of the Muslim Brotherhood in Egypt to rig the election which brought Mohamed Mursi to power. This is why the US will never outlaw the Muslim Brotherhood in the US; because they are useful.

[Gaza, Odessa, Donetsk: Genocide Continues. "Wars Mean Profit"](#)

By [Konrad Rekas](#), November 12, 2023

We are all shocked by the images of genocide suffered by the people of Gaza. Despite attempts to censor the truth about Israeli crimes, that truth breaks through to Western public opinion, arousing spontaneous opposition what we have seen in the last couple weeks on the street all over the world, but I remember very similar crimes that I saw with my own eyes nine years ago.

[An Epistle to Robert F. Kennedy, Jr.](#)

By [Edward Curtin](#), November 12, 2023

Religion has for a very long time been used as a cover for slaughtering people and seizing their land. This is true for the United States and Israel. It is built into their theological underpinnings. So it should not be at all surprising that the current Israeli massacre of Palestinians is fully supported by the U.S. government led by President Joseph Biden and by almost every presidential aspirant.

[The Israel Exception to Free Speech. Israel's Stranglehold on American Foreign Policy Must be Identified and Eliminated](#)

By [Philip Girdi](#), November 11, 2023

In the area of foreign policy, as well as a spill-over into many domestic and constitutional issues, there is no more powerful lobby than that of the state of Israel, and its power was on full display on Tuesday afternoon when Representative Rashida Tlaib [was censured](#) for the crime of being of Palestinian ancestry and speaking up against the ongoing genocide of her people by the Jewish state.

[EU 'Carbon Tax' on Chinese, Indian Imports - Environmentalism or Geopolitics?](#)

By [Drago Bosnic](#), November 11, 2023

One of the most common ideological tropes of the contemporary political West is its apparent obsession with environmentalism. The belligerent power pole simply adores to use it as a way to “prove” its supposed “civilizational superiority” over any other country that doesn't share the same obsession.

[Launching Danielle Smith's Premiership of Alberta. "Compassionate Conservatism"](#)

By [Prof. Anthony J. Hall](#), November 10, 2023

The real purpose of the COVID jabs was to initiate a number of processes including global depopulation as well as those of the genetic modification of the survivors. As this attack was pushed forward, we began to observe that something fundamental had changed within our governments as reflected in the unreasonable constraints suddenly imposed on our most basic rights and freedoms.

[Unions Worldwide Boycott Arms Supplies to Israel](#)

By [Marc Vandepitte](#), November 10, 2023

Shortly after the start of the war against Gaza, Palestinian trade unions appealed to their colleagues worldwide for a boycott of arms supplies to Israel. That appeal is being heeded in many countries. That list of countries is growing every day.

[“From the River to the Sea”: A Phrase that Elicits Dishonesty from Zionists, and Cowardly Mis-leadership from Anti-Zionist Leaders](#)

By [John Spritzler](#), November 12, 2023

Gay, in her infinite wisdom (President of Harvard, after all, right?) chose not to explain truthfully the “specific historical meaning” of the interpretation of the “From the River to the Sea” phrase as (supposedly!) advocating the “eradication of Jews from Israel” and “existential fears.”
