[“Anything Could Go Wrong”. Russia’s Drills to Practice the Deployment of Tactical Nuclear Weapons. In Response to the Deployment of Nuclear Capable F-16s](#)

By [Drago Bosnic](#), August 04, 2024

On the very last day of July, the Russian military announced it started “the third and ‘final’ phase of drills to practice the deployment of tactical nuclear weapons”. The Kremlin’s Ministry of Defense (MoD) also initiated joint exercises with Belarus, its closest ally.

[COVID Roundup: New Zealand Codifies Forced Injections in Martial Law ‘Pandemic Plan’](#)

By [Ben Bartee](#), August 05, 2024

If the Kiwis aren’t rioting in the streets of Auckland at this very moment, if this isn’t the straw that broke the camel’s back — either because the information space in New Zealand is so tightly controlled that they don’t know what their government is doing to them or because they are too psychologically/spiritually compromised to be bothered to do anything about it — all hope of a popular resistance may be lost.

[Venezuelan National Electoral Council \(CNE\): Its Origins and Contemporary Importance](#)

By [Arnold August](#), August 05, 2024

One of the main features of Venezuela’s first Constitution that actually debated, drafted and then approved in a referendum (December 1999) by 72% was the creation of the five branches of power. In addition to the usual executive, legislative, judicial and other

branches found in other countries, Venezuela innovated with the National Electoral Council (CNE) as the fifth branch.

[Was Hamas Leader Killed in Iran to Inflamm Sectarian Conflict?](#)

By [Nauman Sadiq](#), August 05, 2024

The reason the manipulative Zionist regime cunningly plotted to assassinate Ismail Haniyeh during his visit to Iran is two-fold. Firstly, the Islamic Republic over the years has established the reputation of being the torchbearer of the Palestine cause, particularly in the Islamic World.

[How Unelected Regulators Unleashed the Derivatives Monster - And How It Might be Tamed](#)

By [Ellen Brown](#), August 05, 2024

While the world is absorbed in the U.S. election drama, the derivatives time bomb continues to tick menacingly backstage. No one knows the actual size of the derivatives market, since a major portion of it is traded over-the-counter, hidden in off-balance-sheet special purpose vehicles.

[The Ardent Pipe Dreams of American Voters](#)

By [Edward Curtin](#), August 05, 2024

Voters in the U.S.A. live in fantasy and probably always will. No matter how obvious it is that the U.S. is an oligarchy, not a democracy, the ardent pipe dreams of a new face in the White House go to their heads every four years.

[An Alleged Earthquake Below the Test Site of Rheinmetall Weapons Manufacturer and Defense Contractor in Unteriberg, Central Switzerland, Was Probably an "Explosion"](#)

By [Christoph Pfluger](#) and [Peter Koenig](#), August 04, 2024

On 4 June 2024, at 2:30 AM, an alleged earthquake measuring 4.4 on the Richter scale occurred on the test site of the Rheinmetall (weapon manufacturing) Defense Contractor in Unteriberg, Central Switzerland. The Swiss Seismological Service locates the epicenter at a depth of just 100 meters, and indicates the *Pragel Pass*, six kilometers away, as the

epicenter.
