By [Dr. William Makis](#), May 28, 2023

When it comes to COVID-19 vaccines, Big Pharma isn't very concerned about the vaccine injured. They are collateral damage in a multi \$100 billion profit scheme and their plight can always be blamed on Long COVID or Climate Change.

[**Russia's "Return to Africa": "Strategic Decision" or "Post-Soviet Policy Slogan" by the Russian Establishment**](#)

By [Kester Kenn Klomegah](#), May 28, 2023

Extensively speaking on several questions with the media on the eve of Africa Day, the Russian diplomat noted that some African countries were more dependent on Western aid than others, but Russia was not imposing anything on anyone, because it proceeded from the sovereign equality of the UN member states. Moscow's role is to help African countries in the UN Security Council and other UN structures, as well as on a bilateral basis, Bogdanov explained.

[**Imperialist Hegemony and the Class Struggle in Africa and the Diaspora**](#)

By [Abayomi Azikiwe](#), May 28, 2023

May 25, 2023 represents the 60th anniversary since the formation of the Organization of African Unity (OAU), the forerunner of today's African Union (AU). During 1963, over 30 independent African states held a summit meeting in Addis Ababa, Ethiopia where they agreed to put aside differences in order to initiate a continental organization.

[**Eye Witness Crimea**](#)

By [Daniel Kovalik](#) and [Rick Sterling](#), May 28, 2023

In May of this year, we took the long, 27-hour train ride from Moscow to Crimea to see how life is there and what the sentiment of the people are as the US and Ukraine sharpen their threats to "recapture" this peninsula from Russia. And, while we were there, these threats were backed by a series of terrorist drone attacks in Crimea which, while doing little serious damage, signaled an escalation in the US/Ukrainian assault on Crimea.
