### [COVID-19 and the Dire Living Conditions of India's Bottom Half Billion](#)

By [Joseph D'Souza](#), June 24, 2020

Go less than eight miles north along the coastline and you will reach Dharavi, one of the largest slums in the world. Measuring .81 sq mi, the slum is home to over 1 million Indians, making it one of the most densely populated areas on Earth. Entire families cram into one-room houses inside Dharavi's labyrinthine neighborhoods, where diseases run rampant because of the confined and unsanitary conditions people live in.

### [NATO 2030: How to Make a Bad Idea Worse. Expanding the "Atlantic Alliance" into the Pacific...](#)

By [Matthew Ehret-Kump](#), June 24, 2020

After helping blow up the Middle East and North Africa, dividing the Balkans into zones of war and tension, turning Ukraine upside down using armadas of neo Nazis, and encircling Russia with a ballistic missile shield, the leaders of this Cold War relic have decided that the best way to deal with instability of the world is... **more NATO.**

### **[Video: The Social Impacts and Economic Dimensions of the Drug Trade](#)**

By [Prof Michel Chossudovsky](#) and [Mehrnews](#), June 24, 2020

The issue of drugs is a global scourge and there is the need for wide-scale cooperation at the international level so as to tackle this problem. Therefore, the Islamic Republic of Iran has adopted an interactive approach with the global community concerning the issue of drugs and has virtually indicated that it spares no efforts in enhancing cooperation with other countries and international organizations in the campaign against illicit drugs.

### **[Behind the Veil of the Protest Movement, the War on the American People Is Gaining Pace](#)**

By [Mike Whitney](#), June 24, 2020

\$100 million is a lot of money. How has that funding helped BLM expand its presence in politics and social media? How many activists and paid employees operate within the network disseminating information, building new chapters, hosting community outreach programs, and fine-tuning an emergency notification system that allows them to put tens of thousands of activists on the streets in cities across the country at a moment's notice? Isn't that what we've seen for the last three weeks, throngs of angry protestors swarming in more than 400 cities across America all at the beck-and-call of a shadowy group whose political intentions are still not clear?

### **[Bayer Pays \\$10 Billion to Settle Thousands of Monsanto Glyphosate Lawsuits](#)**

By [Zero Hedge](#), June 24, 2020

After decades of widespread use as company scientists played down research showing a definitive link between the product and growing rates of non-Hodgkins lymphoma, Monsanto parent company Bayer has agreed to pay up to \$10 billion to settle claims that glyphosate, the active ingredient in Roundup, causes cancer.

### **[China vs India: Who Benefits? US Meddling](#)**

By [Tony Cartalucci](#), June 24, 2020

A recent border dispute between China and India have resulted in multiple casualties including deaths. It is the first time in decades that this scale of violence has been seen between the two nations. Western headlines have immediately tried to play up the notion of conflict between China and India, but to what end?

## **[Meet BlackRock, the New Great Vampire Squid, “Global Financial Giant”](#)**

By [Ellen Brown](#), June 23, 2020

BlackRock is a global financial giant with customers in 100 countries and its tentacles in major asset classes all over the world; and it now manages the spigots to trillions of bailout dollars from the Federal Reserve. The fate of a large portion of the country’s corporations has been put in the hands of a megalithic private entity with the private capitalist mandate to make as much money as possible for its owners and investors; and that is what it has proceeded to do.
