[Spatiotemporal Variation of Excess All-cause Mortality in the World \(125 countries\) During the COVID Period 2020-2023 Regarding Socio-Economic Factors and Public Health and Medical Interventions](#)

By [Prof Denis Rancourt](#), [Dr. Joseph Hickey](#), and [Prof. Christian Linard](#), July 23, 2024

Large differences in excess all-cause mortality rate (by population) and in age-and-health-status-adjusted (P-score) mortality are incompatible with a viral pandemic spread hypothesis and are strongly associated with the combination (product) of share of population that is elderly (60+ years) and share of population living in poverty.

[Largest Study of Its Kind Finds Excess Deaths During Pandemic Caused by Public Health Response, Not Virus](#)

By [Dr. Brenda Baletti](#), July 22, 2024

A study released today of [excess mortality in 125 countries](#) during the COVID-19 pandemic found the major causes of death globally stemmed from public health establishment's response, including mandates and [lockdowns](#) that caused severe stress, harmful medical interventions and the COVID-19 vaccines.

[Russia and India Agree on De-dollarisation Trade and Investment](#)

By [Ahmed Adel](#), July 23, 2024

On July 9, US Treasury Secretary Janet Yellen, during a question-and-answer session before the House Finance Committee, stated that her "biggest fear" was de-dollarisation due to the harshness of sanctions imposed against Washington's adversaries who are seeking alternatives other than the dollar.

[As the State “Withers Away”, Multinationals Go on a Rampage. Lithium Mining](#)

By [Stephen Karganovic](#), July 23, 2024

The validity of Engels’ notion that the natural development of productive forces would result in the extinction, more precisely the obsolescence and irrelevance of the state as an institution, is receiving confirmation from the most unexpected quarters.

[The Media’s Fabricated Cognitive Dissonance and Palestine Genocide Denial](#)

By [Mark Taliano](#), July 22, 2024

Genocide-denying legacy-media frames discussions about Gaza from supremacist perches. It puts truth and context into the Memory Hole of obliteration much as Winston from Orwell’s 1984 did. History itself becomes malleable to suit current diktats.

[Other Than Nuclear War, the Digital Revolution Is Mankind’s Greatest Disaster](#)

By [Dr. Paul Craig Roberts](#), July 22, 2024

The digital revolution is a catastrophe across the board. It not only gives government ability to impose tyranny beyond George Orwells’ imagination, it subjects all accumulated knowledge to wipe out by an electromagnetic pulse, and it causes shutdown of worldwide economic activity because of a bug in cybersecurity software.

[The Importance of Exercise and Biological Youth for Longevity](#)

By [Dr. Joseph Mercola](#), July 22, 2024

Maintaining “biological youth” is crucial for longevity. Exercise, particularly moderate activity and 150 to 180 minutes of weekly resistance training, is the most powerful intervention for slowing biological aging.
