By [John W. Whitehead](#) and [Nisha Whitehead](#), June 23, 2021

Not only are Americans forced to “[spend more on state, municipal, and federal taxes than the annual financial burdens of food, clothing, and housing combined](#),” but we’re also being played as easy marks by hustlers bearing the imprimatur of the government. With every new tax, fine, fee and law adopted by our so-called representatives, the yoke around the neck of the average American seems to tighten just a little bit more.

[Joseph Biden, a Champion of Human Rights?](#)

By [Manlio Dinucci](#), June 23, 2021

On June 16 in Geneva the US-Russia Summit was defined by President Biden “good, positive” and by President Putin “quite constructive”.
