We are inches away from [a global thermonuclear war](#). And no, this isn’t a meaningless, overused catchphrase. Quite the contrary, it’s as serious as it gets. We have reached a historical boiling point. At no other time in human history have we been closer to the scenario of annihilation, not even during the so-called “Cuban” Missile Crisis.

[**The Inviolable Connection Between the Wars in the Middle East and Ukraine**](#)

By [Peter Koenig](#), November 24, 2024

How will President-elect Trump make sure on his promises to be a Peace President, resolving the wars in Ukraine and the Middle East within days of taking office? His Cabinet selections may not be all Jewish, but most of them are strong supporters of the Zionists and by association, Genocide-Netanyahu.
