[State of the World: “Political Treachery, Deceptions, Lies and Criminality”.](#)

[Colonel Pedro Baños](#)

By [Peter Koenig](#), August 01, 2023

In his presentations, Pedro Baños demonstrates that today’s situation is not different from what it was six centuries ago. The state of the world today is one of political treachery, deception, lies and crime of utmost proportion, including mass genocide. The propaganda means of today are of course much more sophisticated than in the Middle Age, englobing the entire world at once, with medias amply paid by a corporate elite attempt to take total control of the world and its population.

[U.S. Media Calls for New PATRIOT Act Against So-called “Domestic Terrorists”](#)

By [Ben Bartee](#), August 01, 2023

A few years back, I (and many others) [picked up on an emerging trend which has only intensified over time](#): the framing of “domestic terrorists” (meaning, in practice, any political opponents of the Deep State regime) as something on par with foreign terrorists of the Islamic persuasion.

[Thinker, Poet, Philosopher Giordano Bruno Devoted to the Truth, Condemned by the Roman Inquisition, 475 Years Later](#)

By [Prof. Sam Ben-Meir](#), August 01, 2023

In the early morning hours of February 17, 1600, a man was carted to Rome’s Campo d’Fiori where, chained by the neck, he was stripped naked, hung upside down and burned at the stake, the culmination of seven long years of confinement in the Prison of the Roman Inquisition. His ashes were thrown into the Tiber River.

Gender and Politics

By [Dr. Vladislav B. Sotirović](#), August 01, 2023

The text has aim to investigate the situation of female representation in politics in the industrialized contemporary Western democracies. Though women are more and more visible in politics, we can not yet say they have taken an equal position compared to men. Of course, they have had to take a long road and there is certainly a positive evolution, but there are still some mechanisms that lead to different kinds and levels of political discrimination.

mRNA COVID Vaccines May be Triggering ‘Turbo Cancers’ in Young People: Experts

By [Megan Redshaw](#), August 01, 2023

Experts are seeing a puzzling rise in cancer in people under 50 that appears biologically different from late-onset cancers. While [some claim](#) cancer rates have been rising for decades and attribute the increase to sugary drinks, lifestyle, and sleep disruptions, others say mRNA COVID-19 vaccines have caused an emergence of “turbo cancers”—and U.S. regulatory agencies have not addressed the ever-growing problem.

Measuring the Mandates: Assessing the State’s Response to COVID-19

By [Richard Cox](#), August 01, 2023

Politicians around the world insisted that they needed to restrict human freedom and mandate medical interventions—all in order to keep us safe. They had the power and claimed the wisdom to know this was the right thing to do. Much of the population agreed, yearning only for stronger restrictions on their liberty.

Liberation Philosophy. The Convergence of Catastrophes Facing the West. Youssef Hindi

By [Alexander Wolfheze](#), August 01, 2023

The aim of this present review of Hindi’s *Guerre* is to assist the Eurasianist and Multipolar Movements – the former movement relates as a matrix and reference point to the latter movement – in creating a fully-fledged, stand-alone worldview and a comprehensive, all-encompassing metanarrative, as they will eventually be required to do if they are to ever to

successfully oppose and overcome the globalist-nihilist worldview.

[Algeria Will Play An Important Role If West Africa Descends Into War?](#)

By [Andrew Korybko](#), August 01, 2023

Security and ideological interests account for why the Algerian Chief of Staff just flew to Moscow. His country wants to coordinate with its strategic partner in responding to this regional crisis as well as the wider war that might soon break out.

[Western Weapons sent to Ukraine End Up in the Hands of African Terrorists](#)

By [Lucas Leiroz de Almeida](#), August 01, 2023

Reports suggest that Western weapons sent to Ukraine are being redistributed to terrorists around the world, particularly in Africa. According to the interim President of Burkina Faso, Ibrahim Traore, Western military equipment ends up in the hands of African terrorists instead of supplying Ukrainian forces, thus generating instability and insecurity for Africa, and further increasing the need for cooperation with Russia.

[mRNA Vaccine: The COVID-19 Spike Injury You Need to Know About](#)

By [Dr. Joseph Mercola](#), August 01, 2023

McCullough and his team systematically reviewed all autopsy reports involving COVID-19 jab-related myocarditis published through July 3, 2023. Fourteen papers detailing 28 autopsies fit the inclusion criteria.
