[How to Steer Hurricanes, Flood Homes, and Steal Lithium. West North Carolina's Tragic Aftermath](#)

By [Greg Reese](#) and [Prof Michel Chossudovsky](#), October 24, 2024

We have had the technology to create, control, and steer hurricanes for decades. "Project Cirrus" is the first Official attempt to modify a hurricane. It was run by General Electric with the support of the US military.

[The Truth About Israel's War on Gaza, Palestine, Lebanon - the Middle East. Peter Koenig](#)

By [Peter Koenig](#), October 24, 2024

Eradication of an entire society is not just the objective of Netanyahu. Do not get that wrong, Netanyahu is a mere useful and willing player in this atrocious endeavor. The overall and long-term goal of Zionist-Israel is much larger, way beyond Palestine - it is about control of most of the Middle East, and most of the region's energy, oil and gas.

["Soul Suicide" in the Ballot Box as Palestinians Are Butchered. Edward Curtin](#)

By [Edward Curtin](#), October 24, 2024

It is impossible to understand the United States' full-fledged support today for Israel's genocide in the Middle East without understanding this history. Israel's genocide is the United States' genocide; they cannot be separated.

[Why Is the U.S. Department of Defense Giving \\$90 Million to a Private Corporation to Reopen an Old Lithium Mine in Western North Carolina?](#)

By [Leo Hohmann](#), October 24, 2024

The United States is moving aggressively to bolster its national battery supply chain as globalists seek to force consumers into more expensive and less practical electric cars as part of their so-called Net Zero climate agenda.

[Mainstream Propaganda Machine Fuming as ‘Putin’s Isolation’ Myth Crumbles. Is He Some Kind of an “Infernal Monster Out to Get Us All”?](#)

By [Drago Bosnic](#), October 24, 2024

It should be noted that President Vladimir Putin never really cared much about what sort of image of him the mainstream propaganda machine is painting. He was perfectly aware of the fact that the sovereigntist policies put forward during his presidency would make him universally hated in the political West, as its plans for Russia included anything but sovereignty.

[Has the US Already Started a New Nuclear Arms Race? “The Pentagon Is Looking for a Nuclear War”](#)

By [Germán Gorraiz López](#), October 24, 2024

The US National Nuclear Security Administration (NNSA) has reportedly recently manufactured its first plutonium core since 1989 with the stated aim of renewing all its warheads. The Department of Defense plans to incorporate it into the W87-1 warhead of the intercontinental ballistic missile Sentinel and its production will be increased to 80 plutonium pits per year by mid-2030, what would be the starting signal for a nuclear arms race.

[Forum on China-Africa Cooperation Evades Contradictions at the End of the Belt and Road: Chinese Investment, Finance and Trade Controversies in Southern Africa](#)

By [Prof. Patrick Bond](#), October 23, 2024

There was a \$51 billion aggregate pledge at the FOCAC 2024 summit in Beijing for the period 2025-27, but of that, nearly 60% will be in the form of loans. FOCAC’s essential objective is to maintain the position that China has a positive role, no matter its firms’ fingerprints when it comes to Africa’s ongoing deindustrialisation, debt crises, resource looting, despotism and political instability (partly based on popular unrest such as has risen

in Kenya and Nigeria in recent months).
