[Guile Replaces The Stick: Washington's New Approach To Russia](#)

By [Dr. Paul Craig Roberts](#), November 21 2015

Washington has learned that threats and coercion do not work against Russia. All the threats have done is to build Putin's public support to astronomical levels and to unify Russia against the West's assault.

[Fearing Technology: The Islamic State, PlayStation and "Going Dark"](#)

By [Binoy Kampmark](#), November 21 2015

Brave new world technologies will lull us on the pneumatic chair, calming our more savage instincts. But time and time again, the opposite case has been made. Methods of killing can be industrialised; technology can be adapted to the most destructive ends.

[Myanmar's New "Democratic Dictator": Aung San Suu Kyi](#)

By [Tony Cartalucci](#), November 21 2015

Suu Kyi disenfranchised a million voters before elections, and has declared herself above the constitution afterwards. What about that seems "democratic?"

[Hang Onto Your Wallets: Negative Interest Rates, the War on Cash, and the \\$10 Trillion Bail-in](#)

By [Ellen Brown](#), November 20 2015

In uncertain times, "cash is king," but central bankers are systematically moving to

eliminate that option. Is it really about stimulating the economy? Or is there some deeper, darker threat afoot?

[Five Myths Regarding the Paris Terror Attacks](#)

By [Washington's Blog](#), November 21 2015

As usual, the politicians and talking heads are all talking their own book, using the Paris terror attacks to push their own agendas. As shown below, they're spouting nonsense.
