[Terrified of Freedom: Why Most Human Beings Are Embracing the Global Elite's Technotyranny](#)

By [Robert J. Burrowes](#), June 15, 2022

In early 2020, the Global Elite launched its long-planned “depopulation agenda” . A primary intended outcome of this agenda was to enable the Elite to own and completely control use of the Earth’s remaining resources.

[Prof. Kari Polanyi Levitt: Regaining Canada's Sovereignty: June 14, 2022 We Celebrate Kari's 99th Birthday](#)

By [Kari Polanyi Levitt](#) and [Michael Welch](#), June 15, 2022

Kari Polanyi Levitt focused her attention on how Canada is losing its sovereignty and its independence on the world stage and on how we might be able to claim the soul of a proud nation once again.

[China's "Zero COVID" Mandate: Devastating Social and Economic Impacts](#)

By [Tom Clifford](#), June 15, 2022

The Whac-A-Mole approach to fighting COVID and achieve zero spread is as ridiculous as it is frustrating. In Beijing certain buildings are put into strict lockdown on the flimsiest of evidence while residents in those less than 10 meters away can go about their business unhindered.

[Preparing for the Reality of Financial Collapse](#)

By [Dr. Joseph Mercola](#), June 15, 2022

While many still refuse to believe it, financial experts and insiders have long warned that a collapse of the U.S. currency is a mathematical inevitability. The most surprising thing, really, is that it has lasted this long. The same can be said for the financial system of the world as a whole.

[The Food Crisis, Africa Has No Access to Grain and Fertilizers: African Union Head Calls for Lifting of Sanctions Against Russia](#)

By [Telesur](#), June 15, 2022

The President of Senegal and of the African Union, Macky Sall, held a meeting with his Russian counterpart Vladimir Putin on Friday and called for the lifting of sanctions imposed on Moscow, specifically those affecting the export of wheat and fertilizers.

[How Can We Survive as a Human Species? Enlightenment Instead of “Complicit Silence” or “Buying into the System”.](#)

By [Dr. Rudolf Hänsel](#), June 15, 2022

For a long time, in the face of societal upheavals and the realisation that the world we live in is not the one we are told about, a crucial question has preoccupied the author: Is there a familial or societal limit for a well-informed, responsible citizen and fellow human being's concern to ensure the survival of the human species and save as many people as possible?

[Is There Life After Death?](#)

By [Edward Curtin](#), June 15, 2022

Life is entwined with death from the start, for death is the price we must pay for being born, even though we don't choose it, which may be why some people who are very angry at the deal, decide to choose how and when they will die, as if they are getting revenge on someone who dealt them a rotten hand, even if they don't believe in the someone.

[Israel Calls the Nakba a Lie. So Why Do Its Leaders Threaten a Second One?](#)

By [Jonathan Cook](#), June 15, 2022

Here is a puzzle. What did Israel Katz, an [Israeli](#) legislator and until recently a senior government minister, mean when he threatened [Palestinian](#) students last month with another “Nakba” if they continued to wave the Palestinian flag? He urged them to “remember 1948” and speak to their “grandfathers and grandmothers”.

[Sharif Flipping Pakistan’s US and China Relations: New Leader Moving Closer to US and Further from China](#)

By [Salman Rafi Sheikh](#), June 15, 2022

In the run-up to Pakistan prime minister Imran Khan’s April ouster in a parliamentary no-confidence motion, the elected leader explosively claimed that the United States was orchestrating a “foreign conspiracy” to drive him from power.

[Breaking: FDA Panel Recommends Moderna Two-Dose COVID Vaccine for Kids Ages 6 to 17 Despite Serious Safety Concerns](#)

By [Megan Redshaw](#), June 15, 2022

During the meeting, Dr. Tom Shimabukuro, a vaccine safety official at the Centers for Disease Control and Prevention (CDC), said some data suggest a [higher risk of myocarditis](#) among people 18 to 39 years old after receiving Moderna’s COVID-19 vaccine — which is administered at a higher dose than the Pfizer-BioNTech shot.
