[The Collapse of Western Democracy](#)

By [Dr. Paul Craig Roberts](#), July 01 2016

Democracy no longer exists in the West. In the US powerful private interest groups, such as the military-security complex, Wall Street, the Israel Lobby, agribusiness and the extractive industries of energy, timber and mining, have long exercised more control over government than the people. But now even the semblance of democracy has been abandoned.

[Pro-GMO Spin Masquerading as Science Courtesy of “Shameful White Men of Privilege”](#)

By [Colin Todhunter](#), July 01 2016

Unlike their predecessors, early 21st century missionaries do not come armed with bibles. They come as members of a scientific priesthood, spouting slick PR and are supported by the likes of Bill Gates, taxpayer 'aid' and the global agritech cartel and rely on the leverage of international institutions like the World Bank, IMF and WTO.

[Corbyn, British Labour and Anti-Semitism](#)

By [Dr. Binoy Kampmark](#), July 01 2016

In another attempt to kick the leader of the British Labour down and out, a campaign has been hatched with a now commonplace virulence. A report into anti-Semitism within Labour party circles authored by Shami Chakrabarti was to be released with little fanfare, filled with the pieties that come at a time when language is a matter of moral policing rather than concerted expression.

[A Conspiracy Theory that became a "Conspiracy Fact": The CIA, Afghanistan's Poppy Fields and America's Growing Heroin Epidemic](#)

By [Timothy Alexander Guzman](#), July 01 2016

The heroin epidemic resembles the days when "Crack cocaine" became the major drug that destroyed communities across the United States and other parts of the world including the Caribbean that began in the early 1980's.
