Just recently another person died in close proximity to having received the Covid jab. As can be expected, we on the freedom front here in New Zealand were unanimous in our horror at yet another needless death, and certain people were urged to 'go public', to rail against the transparently conducted programme of murder, to kick up a fuss that would turn the tide.

[Enough of the Ukrainian Clown Show! Ukraine and the "Borderlands". Historical Analysis](#)

By [David Stockman](#), June 27, 2023

If the truth be told, we are getting sick and tired of Zelensky who runs the "cease-pool" of corruption, tyranny, delusion and death in Ukraine. This clown - and that's what he is actually trained as - just can't seem to stop stridently demanding money, arms and support from the rest of the world and lecturing everyone to fall into line or else.

Politically Exposed Persons (PEPs) are people who hold a public function and as a result present a higher risk of being involved in bribery and corruption. [Pending U.S. Congressional Resolutions to Initiate WW III](#)

By [Eric Zuesse](#), June 27, 2023

I conclude from the evidence that will here be presented, that a well-coordinated plan appears to be forming within the U.S. Government; first, to choke-off and thoroughly censor-out from U.S.-and-allied news-media any information that might reduce the willingness of their publics to support going to a full-fledged all-out war against Russia and/or China...

[Babbling About Prigozhin](#)

A lot of nonsense is being spouted by a bevy of spontaneous “Russian experts” in light of the Prigozhin spray, a mutiny (no one quite knows what to call it), stillborn in the Russian Federation. It all fell to the theatrical sponsor, promoter and rabble rouser Yevgeny Prigozhin, a convict who rose through the ranks of the deceased Soviet state to find fortune and security via catering, arms and Vladimir Putin’s support.
