[5G: The Big Picture](#)

By [Dr. Jeremy Naydler](#), April 29, 2019

There are at present approximately two thousand fully functioning satellites orbiting the Earth. Some beam down commercial GPS (or “SatNav”), some provide TV, some provide mobile phone services, and some bounce radar back and forth to produce images for meteorologists and military surveillance. The Earth is thus already comprehensively irradiated from outer space.

[What You Don't Know About 5G but Will Find Out When Its Too Late](#)

By [Claire Edwards](#), April 27, 2019

The first eight months of WWII with no fighting – was called The Phoney War. Using millimetre waves as a fifth-generation or [5G wireless](#) communications technology is a phoney war of another kind.

[The Dangers of 5G to Children’s Health](#)

By [Children’s Health Defense](#), April 27, 2019

The enthusiasm with which the public has embraced each new mobile and wireless technology—most of which have [never](#) undergone any appropriate safety testing or standards development—suggests that consumers rarely stop to consider the health implications of the infrastructure shoring up their ability to browse, stream and download anytime and “[on the go.](#)”

[5G Wireless Technology Is the “Stupidest Idea in the History of the World”](#)

By [Arjun Walia](#), April 25, 2019

It’s clear that we are not being protected, and politicians are simply abiding to the the will of their masters, the big corporations, who in turn act as slaves to their ‘financial overlords,’ the big banks. We continue to see products and services being approved and implemented without ever going through any safety testing.

[5G Health Effects: Swiss Telecom Ignores Official Laws and Launches 5G; Rule of Law Under Attack](#)

By [Josh del Sol](#), April 24, 2019

It is deeply ironic that within a nation historically recognized for its higher-minded values to not engage in war, wireless companies have now effectively declared war on all people living in this nation, by deploying 5G against consent and directly in violation of both official moratoria and independent science.

[Will 5G Cell Phone Technology Lead to Population Reduction as Large Numbers of Men Become Sterile?](#)

By [Michael Snyder](#), March 06, 2019

The big cell phone companies will be spending hundreds of billions of dollars to install hundreds of thousands of new 5G antennas, and every single one of those antennas will be constantly emitting very powerful electromagnetic radiation. Since we can’t see the radiation, to many people the threat does not seem real, but the truth is that if you live in a major urban area you are constantly being bombarded by it.

[International Appeal: Stop 5G on Earth and in Space](#)

By [Arthur Firstenberg](#), January 27, 2019

Telecommunications companies worldwide, with the support of governments, are poised within the next two years to roll out the fifth-generation wireless network (5G). This is set to deliver what is acknowledged to be unprecedented societal change on a global scale.
