[U.S. Foreign Policy and the Electoral College Vote. Towards a December 19 Surprise?](#)

By [Prof Michel Chossudovsky](#), December 12 2016

While the Hillary Clinton faction supported by media propaganda is accusing Moscow of intervening in the US elections on behalf of Trump, they are also intent upon shifting the Electoral College vote in favour of Clinton with a view to blocking president-elect Trump's accession to the White House

[Constitutional Crisis, Movement to Undermine President-elect Donald Trump's Accession to the White House?](#)

By [Prof Michel Chossudovsky](#), December 09 2016

Trump is not entirely in the pocket of the lobby groups. As a member of the establishment, he has his own corporate sponsors. His stated foreign policy agenda does not fully conform with the interests of the defence contractors.

[Pro-Hillary Dark Forces Plot Anti-Trump Coup?](#)

By [Stephen Lendman](#), December 13 2016

Now there's a plot afoot to deny Trump his electoral triumph - the Clintons, their supporters and other dark forces behind it. Is their goal to turn America into an illegitimate putschist state like Ukraine, installed by Obama?

[Stalling Trump's Accession to the White House? Twenty Trump Electors Could Flip](#)

By [Kyle Cheney](#), December 14 2016

Larry Lessig, a Harvard University constitutional law professor who made a brief run for the 2016 Democratic presidential nomination, claimed Tuesday that 20 Republican members of the Electoral College are considering voting against Donald Trump, a figure that would put anti-Trump activists more than halfway toward stalling Trump's election.

[The Deep State versus Donald Trump: Stop the CIA Coup](#)

By [Justin Raimondo](#), December 13 2016

The CIA is up to its old tricks: overthrowing a democratically elected government. Only this time it's our government.

[The December 19 Electoral College Vote : Anti-Trump Coup Attempt Underway?](#)

By [Stephen Lendman](#), December 14 2016

Trump won 306 Electoral College votes to Hillary's 232, her's heavily concentrated in the northeast, mid-Atlantic and west coast. He won 30 states to her 20 - 270 EC votes needed to be elected. It would take 37 electors, from states he won, to deny him their vote, thereby throwing the process to House members to elect the president.

[What Are the Hearsay Leaks about "Russian Election Hacking" Attempting to Achieve?](#)

By [Moon of Alabama](#), December 12 2016

One can think of bigger reasons why these leaks about the CIA assessment are now happening: To swing the electoral college to vote for Clinton instead of Trump. This would be unprecedented and a coup contradicting the will of the voters. It would lead to political chaos and more. But many Clinton partisans are pressing in that direction and such a dirty business would not be out of character for Hillary Clinton.
