By [Prof Michel Chossudovsky](#) and [James Corbett](#), July 18 2016

The EU is a Cold War Construct, a US imperial project formulated by the Washington Consensus. The growing movement against EU domination is an anti-imperial initiative of Worldwide significance.

## [Turkey Between Two Fascisms](#)

By [Jooneed Khan](#), July 19 2016

In Turkey, where the attempted coup failed and arms went silent after 24 hours of clashes and killings, civilian fascism has won over military fascism - even as both competed to project each camp as "the better protector of Democracy"!

## [In the Shadow of Monsanto: GMO Regulation and "The Right to Know"](#)

By [Colin Todhunter](#), July 19 2016

The GMO agritech sector and food companies have spent tens of millions of dollars in the US to prevent the labelling of foods containing genetically modified organisms (GMOs). The public have genuine concerns about GM but are being denied the right to know if GMOs are in the food they eat. And the concerns they have are valid.

## [Washington Is Politicizing The Olympics: Ongoing Attempts to Ban Russia. Geopolitical Implications](#)

By [Dr. Paul Craig Roberts](#), July 19 2016

Washington and its Canadian vassal are trying to use a Western media-created Russian athletic doping scandal to ban Russian participation in the Olympic games in Brazil. Washington and Canada are pressuring other countries to get on board with Washington's vendetta against Russia. The vendetta is conducted under the cover of "protecting clean athletics."
