*The situation for independent media has changed significantly over the past year. In the face of large corporations attempting to censor our content and curtail our traffic and revenue, we are still here - largely thanks to you, our core readership.*

*Our goal, however, is not to survive but to thrive. We want the anti-war message to resonate far and wide. If the past year is anything to go by, to be in a position to do so, we must ready ourselves to meet new disruptions and challenges to freedom of expression.*

*Addressing these issues takes time and resources. We ask you to [help us](#) ensure that Global Research remains a valuable online research tool for years to come. Keep independent media alive. If you value our work, please [make a donation](#) by clicking the image below.*

[Video: The USA and the EU Quarrel, But Remain United Against Russia and China](#)

By [Manlio Dinucci](#), June 14, 2018

The meeting of 29 Defense ministers (for Italy Elisabetta Trenta, 5 Stelle), on June 7, unanimously decided to strengthen the anti-Russia command structure by more than 1,200 personnel; to set up a new Joint Force Command for the Atlantic, based in Norfolk (USA), against “Russian submarines that threaten maritime communication lines between the United States and Europe”; to set up a new Logistics Command, based in Ulm (Germany), as a “deterrent” against Russia, with the task of “moving troops faster across Europe in any conflict”.

### **Cameroun: The Battle of Languages Serves Colonial Masters**

By [J. B. Gerald](#), June 14, 2018

Captured from German interests during WWII by the Free French the Camerouns were divided into British Cameroun to the North and French Cameroun to the South. At its Independence from France January 1, 1960, French Cameroun became the Republic of Cameroun or Cameroun as we know it. To the North, under plebiscite, the southern portion of British Cameroun voted to join the French speaking Republic of Cameroun, while the northern (Muslim) portion of British Cameroun voted to join English speaking Nigeria.

### **Syria’s President Assad Says US, French, Turks, Israeli Troops Are Occupying Forces**

By [Press TV](#), June 14, 2018

Assad made the remarks on Wednesday during an interview with the al-Alam News Network, where he stressed that Syria’s position is to support “any act of resistance, whether against terrorists or against occupying forces regardless of their nationality.”

### **Good Bye to All That: Donald Trump and the End of the U.S. Global Empire**

By [Roy Morrison](#), June 14, 2018

The retreat from U.S. leadership on trade, economics, military security, climate change and ecological protection by Donald Trump is leading in the short term to a world that will emerge as more chaotic, more violent, more polluted, with dictators more emboldened and the poor more desperate.

### **The Kim-Trump Summit. Geopolitical Implications**

By [Prof Michel Chossudovsky](#) and [Michael Welch](#), June 15, 2018

In this interview recorded the morning after U.S. President Trump's 'historic' meeting with Chairman Kim Jong-Un of the Democratic Republic of Korea, **Professor Michel Chossudovsky** of the Centre for Research on Globalization gives his assessment of the meeting, outlines the threat of a reunified Korean peninsula to U.S. military and economic interests, comments on the coincidence of the G7 and other international summits taking place in the same week, and elaborates on the cross-cutting economic alliances which are challenging U.S. autonomy in the region.

### [\*\*Rep. Ro Khanna Says Fellow Democrats Should Support Diplomacy with North Korea\*\*](#)

By [Adam Dick](#), June 14, 2018

On Monday, **Rep. Ro Khanna** (D-CA), joined by 14 fellow Democratic United States House of Representatives members, sent a [letter](#) to **President Donald Trump** supporting Trump pursuing diplomacy and "incremental progress" with North Korea. The letter also expresses concern about efforts toward peace being hindered by people — both Republican and Democrat, and both inside and outside the Trump administration — seeking "to scuttle progress by attempting to limit the parameters of the talks, including by insisting on full and immediate denuclearization or other unrealistic commitments by North Korea at an early date."
