By [Mahdi Darius Nazemroaya](#), January 05 2016

Within the contours of a resource and energy war, the Turkish military deployment was a

move by the Turkish government to secure its illegal oil trade with the so-called Islamic State (ISIL/ISIS/IS/DAESH).

Historical Origins of US Covert Operations to “Assimilate Europe” Into A Federal State

By [Graham Vanbergen](#), January 05 2016

For anyone who still has doubts, the European Union was not really motivated by the twin desires of ending warfare on the continent of Europe and promoting economic growth by making it easier for European countries to trade with each other. This was the story you were spoon-fed. It was actually the creation of America.
