[Cuba - The Endless Cruelty of US Sanctions - The US Intercepts Chinese Medical Supplies to Cuba](#)

By [Peter Koenig](#) and [Press TV](#), April 12, 2020

Cuba complained recently that a shipment of test kits, masks and respirators, donated by the Chinese Alibaba group, didn't arrive because the American company tasked with transportation feared breaching U-S sanction rules. Washington imposed an embargo on Cuba in 19-62 after the island nation nationalized its oil industry. The measures have been denounced by the United Nations 28 years in a row.

[Fitting Together the Pieces of the Coronavirus Puzzle](#)

By [Mark Taliano](#), April 12, 2020

The as yet unfolding **story of Coronavirus is a story of corruption and conflicts of interest. Some pieces of the puzzle remain missing, but the big picture is increasingly apparent.**

The big picture speaks to the unaccountability of Big Monopolies and Big Money, and the fabricated neutralization of the masses, in a world where the truth has been largely deplatformed and suppressed.

[Post-Republic “Weimar America”, Here We Come! Virus Hysteria Adds \\$10 Trillion to the National Debt](#)

By [Mike Whitney](#), April 12, 2020

There’s no doubt that the Coronavirus is a serious infection that can lead to severe illness or death. There’s also no doubt that ‘virus hysteria’ has been used for other purposes. Wall Street, for example, has used virus-panic to advance its own agenda and get another round of trillion dollar bailouts. In fact, it took less than a week to get the pushover congress to ram through a massive \$2.2 trillion boondoggle without even one lousy congressman offering a peep of protest. That’s got to be some kind of record.

[COVID-19: Coronavirus and Civilization](#)

By [Diana Johnstone](#), April 11, 2020

Today, quite a number of alternative media commentators are ready to believe in the absolute power not of God but of Mammon, of the powers of Wall Street and its partners in politics, the media and the military. In this view, nothing major happens that hasn’t been planned by earthly powers for their own selfish interest.

Mammon is wrecking the economy so a few oligarchs will own everything. Or else Mammon created the hoax Coronavirus 19 in order to lock us all up and deprive us of what little is left of our freedom. Or finally Mammon is using a virus in order to have a pretext to vaccinate us all with secret substances and turn us all into zombies.

[Total System Failure Will Give Rise to New Economy?](#)

By [Pepe Escobar](#), April 11, 2020

Nobody, anywhere, could have predicted what we are now witnessing: in a matter of only a few weeks the accumulated collapse of global supply chains, aggregate demand, consumption, investment, exports, mobility.

Nobody is betting on an L-shaped recovery anymore – not to mention a V-shaped one. Any projection of global gross domestic product (GDP) in 2020 gets into falling-off-a-cliff territory.

[UN Ceasefire Defines War As a Non-Essential Activity](#)

By [Medea Benjamin](#) and [Nicolas J. S. Davies](#), April 11, 2020

At least 70 countries have signed on to the March 23 call by UN Secretary General Antonio Guterres for a [worldwide ceasefire](#) during the Covid-19 pandemic. Like non-essential business and spectator sports, war is a luxury that the Secretary General says we must manage without for a while. After U.S. leaders have told Americans for years that war is a necessary evil or even a solution to many of our problems, Mr. Guterres is reminding us that war is really the most non-essential evil and an indulgence that the world cannot afford—especially during a pandemic.

[The “Secret Agenda” of the So-called Elite](#)

By [Dr. Rudolf Hänsel](#), April 10, 2020

Even the active euthanasia of elderly and sick fellow citizens by means of strong sleeping pills and opiates has already set these dark figures on their way. Likewise a worldwide redistribution of general wealth from the bottom to the top, from the poor to the super rich. Should we citizens of this world, remembering these plans of the cabal, not recall to whom the call for the final battle was actually made?

Two of these “world citizens” who are involved in such sinister plans are the former US Secretary of State and Nobel Peace Prize winner **Henry Kissinger** and the wealthy US entrepreneur and patron of the arts Bill Gates.

Can you [help us](#) keep up the work we do? Namely, bring you the important news overlooked or censored by the mainstream media and fight the corporate and government propaganda, the purpose of which is, more than ever, to “fabricate consent” and advocate war for profit.

We thank all the readers who have contributed to our work by making [donations](#) or becoming members.

If you have the means to make a small or substantial [donation](#) to contribute to our fight for truth, peace and justice around the world, your gesture would be much appreciated.
