By [F. William Engdahl](#), July 14, 2022

One of the outcomes of the alleged new SARS Covid virus that publicly emerged in 2019 is that the medical specialization of virology has been raised to a stature almost Godlike in the media. Few understand the origins of virology and its elevation into a leading role in today's medicine practice. By [Prof. Claudia von Werlhof](#), July 14, 2022

As a pioneer of a new science, Rosalie certainly would have welcomed the increasing number of analyses of military geo-engineering world-wide. It would have consoled and atoned her to see that this topic is now on the map and can no longer be denied, with the ever-increasing evidence that is now provided. Because the entire development of this technology is now partially already beyond of what Rosalie was able to observe.

[Russia and China Haven't Even Started to Ratchet Up the Pain Dial. Pepe Escobar](#)

By [Pepe Escobar](#), July 14, 2022

To call it the Biden-von Der Leyen-Blinken West or so would be too reductionist: after all these are puny politico/functionaries merely parroting orders. This is a historical process: physical, psychic and moral cognitive degeneration embedded in NATOstan's manifest desperation in trying to contain Eurasia, allowing occasional tragicomic sketches such as a NATO summit proclaiming Woke War against virtually the whole non-West.
