Dear Readers,

As everyone faces difficult times, the company which deals with the fulfillment of book sales on behalf of Global Research is no longer able to provide its services. We are unfortunately suspending the sale of print books until further notice.

We will be contacting and refunding readers who have purchased our books in print format. Meanwhile, PDF versions are still available for purchase. We hope to be able to resolve this matter as soon as possible. Our apologies for the inconvenience.

Thank you for your valuable support.

[#TruckersConvoy2022](#)

By [Free to Fly Canada](#), January 26, 2022

As most of you certainly know, a growing convoy of truckers and freedom-loving Canadians are heading to Ottawa, planning to converge on January 29th. Free to Fly supports this peaceful and much-needed demonstration of collective resolve.

[US to Close Borders to Unvaccinated Canadian, Mexican Truckers on Saturday](#)

By [Nate Tabak](#), January 26, 2022

The U.S. will close its borders to unvaccinated and partially vaccinated Canadian and Mexican truck drivers on Saturday, the Department of Homeland Security said on Thursday.

[“Manifest Destiny” Done Right. China and Russia Succeed Where the U.S. Failed. Historical Analysis](#)

By [Matthew Ehret-Kump](#), January 25, 2022

It should be obvious that the world is being sucked into a new Cold War, with old school iron curtains, anti-communist rhetoric and even nuclear sabre rattling pushed by unipolar war hawks in the west.

[History of World War II: Overview of the Nazi-Soviet War in Early 1942, Eighty Years Ago](#)

By [Shane Quinn](#), January 25, 2022

By the beginning of 1942 Adolf Hitler had led Nazi Germany into a desperate situation, from which there was probably no escape. At the time, this was not easily apparent to the Wehrmacht or the German population, nor indeed to the Third Reich's enemies, particularly those in the West.

[Join the Battle to End Slavery by Vaccines and 5G](#)

By [Emanuel Pastreich](#), January 25, 2022

The war has already started. The drive to implement 5G microwave electronic broadcast across the United States, and around the world, as a follow up to the push for the COVID-19 vaccines that contain nano-devices and the electricity-responsive toxin graphene oxide, is an indication that we are about to enter the next stage of this war.

[As the Pandemic Devastates the Poor, the World's 10 Richest Have Multiplied Their Wealth into Trillions](#)

By [Thalif Deen](#), January 25, 2022

The numbers are unbelievably staggering: the world's 10 richest men more than doubled their fortunes from \$700 billion to \$1.5 trillion —at a rate of \$15,000 per second or \$1.3 billion a day, according to a new study from Oxfam International.

[None Dare Call It “Encirclement”. Washington Tightens the Noose Around China](#)

By [Michael T. Klare](#), January 25, 2022

The word “encirclement” does not appear in the 2022 National Defense Authorization Act (NDAA), [signed into law](#) by President Joe Biden on December 27th, or in other recent administration statements about its foreign and military policies. Nor does that classic Cold War era term “containment” ever come up.

[Europe in the Trenches Against the “Invented Enemy”](#)

By [Manlio Dinucci](#), January 25, 2022

The State Department, “as a precautionary measure against a possible Russian invasion of Ukraine”, ordered the evacuation of family members and part of the staff from the U.S. Embassy in Kiev, which with 900 officials is among the largest in Europe, and raised to level 4 of risk, the maximum, the warning to U.S. citizens not to go to Ukraine.

[Is Washington Under Alien Control? “The most Frightening Foreign Policy Misadventure since ... ”](#)

By [Philip Giraldi](#), January 25, 2022

The drama currently unfolding in which the Biden Administration is doing everything it can to provoke a war with Russia over Ukraine is possibly the most frightening foreign policy misadventure since the 1962 Cuban Missile Crisis and the 1967 Lyndon Johnson attempt to sink the USS Liberty and blame it on Egypt, either of which could have gone nuclear.

[What Kind of Threat Is China?](#)

By [Kim Petersen](#), January 25, 2022

The “brutalist philosophy” of the US was [made public](#) (□□) by Robert Daly, a former US diplomat stationed in Beijing, in 2015. Currently, he is the director of the Kissinger Institute on China and the United States. No diplomatic niceties here, Daly frankly states the policy of the US: China must never reach the level of the US.
