[The CIA's "Deep State", Donald Trump and His "War on Terrorism"](#)

By [Larry Chin](#), January 30 2017

The CIA is responsible for orchestrating international terrorism and untold atrocities. How does Trump plan on the CIA "ending" Islamic terrorism when it is the institution he "loves and respects" is the institution that foments and continues to spread this "fear and havoc"?

[President Trump: Nationalist Capitalism, An Alternative to Globalization](#)

By [Prof. James Petras](#), January 28 2017

During his inaugural speech, President Trump clearly and forcefully outlined the strategic political-economic policies he will pursue over the next four years. Anti-Trump journalist, editorialists, academics and experts, who appear in the Financial Times, New York Times, Washington Post and the Wall Street Journal have repeatedly distorted and lied about the President's program as well as his critique of existing and past policies. We will begin by seriously discussing President Trump's critique of the contemporary political economy and proceed to elaborate on his alternatives and its weaknesses.

[The Trump-Media Circus and "Continuity of Agenda". How the US Presidency Really Works](#)

By [Ulson Gunnar](#), January 28 2017

As the US media expertly divides the American public into pro and anti-Trump camps over cartoonish, unfounded personal accusations aimed at President-elect Donald Trump, Trump's nominee for US Secretary of State, Rex Tillerson confirmed before the US Congress that hostilities and agitation toward both Moscow and Beijing will only expand over the next 4-8 years.

[Trump Orders Military to Prepare for World War](#)

By [Tom Eley](#), January 29 2017

During a visit to the Pentagon on Friday, President Donald Trump issued an executive action calling for stepped up violence in Syria and a vast expansion of the US military, including its nuclear arsenal, to prepare for war with “near-peer competitors”—a reference to nuclear-armed China and Russia—and “regional challengers,” such as Iran.

[Rex Tillerson and the Myths, Lies and Oil Wars to Come](#)

By [F. William Engdahl](#), January 29 2017

Rex Tillerson, former CEO of the ExxonMobil oil colossus is not designated Secretary of State because of his diplomatic experience. He is there because clearly the Trump Project of those Patriarchs behind Trump-ones such as Warren Buffett, David Rockefeller, Henry Kissinger and others-want a person from Big Oil guiding American foreign policy the coming four years.
