Neocons Use Ukraine to Reverse Trump Plan to Thaw Relations with Putin and Wage Global War

By Joachim Hagopian, February 11 2017

After three weeks as president, Donald Trump has turned out to be "same as the old boss," definitely when it comes to US foreign policy. The short explanation is every US president merely plays a puppet figurehead role, taking his orders directly from the New World Order elite and their neocon surrogates, fast moving us towards one world government tyranny that will be the ultimate outcome of a simultaneous collapse of the global economy timed with the launch of another world war.

New Risks of GMO Food, Glyphosate Uncovered: Scientist's Ground-Breaking Research

By Ken Roseboro, February 11 2017

Within just a few weeks, two studies were published in the peer-reviewed journal Scientific Reports that cast new doubts on the safety of genetically modified foods and glyphosate herbicide. The first found that a genetically modified corn, NK 603, was not substantially equivalent to a non-GMO counterpart, which is contrary to claims of GMO proponents. The second study found that glyphosate, the main ingredient in Monsanto's Roundup herbicide, can cause a serious liver disease at doses thousands of times lower than that allowed by law.

Planetary Lockdown, Geoengineering and "The Deep State"

By Elana Freeland, February 13 2017

For two decades, independent scientists and the science-minded have been attempting to sound the alarm regarding what is going on in our skies and in low-earth orbit while university labs and burgeoning university scientists buckle to military grants dedicated to weaponizing everything under the Sun, if not the Sun itself.

Legal Immunity of George W. Bush in the "Commission" of War Crimes in Iraq: California 9th Circuit Opinion Released

By *Witness Iraq, February 12 2017*

The Ninth Circuit held that the Westfall Act, a federal law that providesdomestic immunity to government officials who commit alleged wrongdoing, is broad enough to cover acts that would amount to aggression under international law.

Greece – A New Standoff with the Troika, Germany and the IMF

By *Peter Koenig, February 13 2017*

Background Greece has warned the International Monetary Fund and Germany to stop playing with fire a day after Athens and its creditors failed to reach a deal on the country's debt crisis.
