[Unstable Geopolitics, Pakistan's Alliance with China: Trump's Backlash against Pakistan Reveals the Dawn of a Disputed 2018 Year](#)

By [Masud Wadan](#), January 06, 2018

Before Trump's presidency, each US warning to Pakistan seemed symbolic and intended to pacify the outrage and resentment of global critics for not fighting terrorism seriously. Even in Afghanistan, the people would cheer the US's crackdown on Pakistan over its hypocrisy to annihilate terrorism within its soil.

[Birth of an Insurgency: The US-Israeli "Secret Deal" to Manipulate Protests in Iran](#)

By [Whitney Webb](#), January 06, 2018

Using the recent protests as cover, the governments of the United States and Israel are advancing a much larger plan for covert regime change against the Iranian government, one born out of [the "secret deal"](#) negotiated and signed between the two countries right before

the widely covered but relatively small protests in Iran began in late December.

[Iran in 2018](#)

By [Dr. Paul Craig Roberts](#), January 06, 2018

Ever since the Iranian Revolution that overthrew the Washington-installed dictator in 1979, Washington has been trying to regain control of Iran. In 2009 Washington financed the "Green Revolution," which was an attempt to overthrow the Ahmadinejad government.

[How Canada Can Lead North Korean Peace Talks at Vancouver Summit](#)

By [Christopher Black](#) and [Prof. Graeme McQueen](#), January 06, 2018

If we Canadians think a lasting peace with North Korea will be obtained by insulting and starving the population of that beleaguered country we are as foolish, and as heartless, as those who put their faith in bombs.
