[Victoria Nuland: Ukraine Has “Biological Research Facilities,” Worried Russia May Seize Them](#)

By [Glenn Greenwald](#), March 10, 2022

Under Secretary of State Victoria Nuland appeared before the Senate Foreign Relations Committee. Sen. Marco Rubio (R-FL), hoping to debunk growing claims that there are chemical weapons labs in Ukraine, smugly asked Nuland: “Does Ukraine have chemical or biological weapons?”

[Ukraine Crusade: “No Fly Zone” and Influx of Foreign Mercenaries](#)

By [Nauman Sadiq](#), March 10, 2022

Secretary of State Tony Blinken, a responsible government official heading foreign affairs and representing the United States on the global stage, “casually suggested” that Poland could hand over its entire fleet of 28 Soviet-era MiG-29s to Ukraine, desperate for imposing no-fly zone, and, in return, the United States government would “backfill” the Polish Air Force with American F-16s.

[Let Us Speak of the “Unspeakable” to Prevent its Use: On the Edge of a Nuclear Abyss](#)

By [Edward Curtin](#), March 10, 2022

It no longer sounds hyperbolic to me that madmen in the declining U.S. Empire might resort, like rats in a sinking ship, to first strike use of nuclear weapons, which is official U.S. policy. My stomach is churning at the thought, despite what most experts say: that the chances of a nuclear war are slight.

The order from the Ukrainian commander was to assault the Donbas Peoples Republics of Donetsk (DPR) and Lugansk (PRL), by a combat coordination of the battalion tactical group with the 80th Separate Airborne Assault Brigade of the Ukrainian Armed Forces. This brigade was trained since 2016 by US and British instructors in accordance with NATO training programs.

From COVID-19 to Ukraine: Bouncing from One Crisis to the Next and the Importance of Staying Focused

By [Professor Piers Robinson](#), March 10, 2022

Two years on from the start of COVID-19, it has indeed become apparent to many that it has been an event involving high levels of propaganda and one in which political and economic agendas have been advanced under its cover.

Msgr. Carlo Maria Viganò on the Russia-Ukraine Crisis. "Pluralism and Freedom of Speech Disavowed by Censorship and Intolerance"

By [His Excellency Carlo Maria Viganò](#), March 10, 2022

If we look at what is happening in Ukraine, without being misled by the gross falsifications of the mainstream media, we realize that respect for each other's rights has been completely ignored; indeed, we have the impression that the Biden Administration, NATO and the European Union deliberately want to maintain a situation of obvious imbalance, precisely to make impossible any attempt at a peaceful resolution of the Ukrainian crisis, provoking the Russian Federation to trigger a conflict.

Who Needs the Fake Fact-Checkers?

By [Dr. Joseph Mercola](#), March 10, 2022

A recent telephone recording by Steve Kirsch, founder of the COVID-19 Early Treatment Fund, in which he responds to a fact checker from PolitiFact, is equally revealing. The young woman clearly has no idea what she's talking about, yet she's been put into a position where she gets to be the sole and final arbiter of truth.

[CDC/FDA Smoking Gun of Smoking Guns](#)

By [Jon Rappoport](#), March 10, 2022

They confess: they had no virus when they concocted the test for the virus; they “contrived” a model by pretending to find what they wanted to find; it’s called a self-fulfilling prophecy.

[While World Focuses on Plight of Ukraine’s Children, Endless Trauma of Gaza’s Children Should Not be Ignored](#)

By [Michael Jansen](#), March 10, 2022

The Western media cites mental health experts on the impacts of past war situations on children without speculating how the Ukraine war may affect the young. Children can be shaken, depressed, withdrawn, undemanding, liable to cry without cause and wet their beds.

[How the U.S. Has Empowered and Armed Neo-Nazis in Ukraine](#)

By [Medea Benjamin](#) and [Nicolas J. S. Davies](#), March 10, 2022

The reality behind the propaganda is that the West and its Ukrainian allies have opportunistically exploited and empowered the extreme right in Ukraine, first to pull off the 2014 coup, and then by redirecting it to fight separatists in Eastern Ukraine.
