[Video: Pfizer's "Secret" Report on the COVID Vaccine. Beyond Manslaughter. The Evidence Is Overwhelming. The Vaccine Should be Immediately Withdrawn Worldwide](#)

By [Prof Michel Chossudovsky](#), January 18, 2023

This confidential Pfizer Report provides data on deaths and adverse events recorded by Pfizer from the outset of the vaccine project in December 2020 to the end of February 2021, namely a very short period (at most two and a half months). The data from mid-December 2020 to the end of February 2021 unequivocally confirms "Manslaughter". Based on the evidence, Pfizer had the responsibility to immediately cancel and withdraw the "vaccine".

[Nazis' Children at the World Economic Forum](#)

By [Rodney Atkinson](#), January 18, 2023

Among those attending this year's World Economic Forum in Davos are Chrystia Freeland, (Deputy Prime Minister of Canada and avid supporter of the Ukrainian State) Ursula von der Leyen and of course the founder of the WEF Klaus Schwab who have in common that their fathers or grandfathers were leading Nazis.

[Ukraine War Spills Over Into the Middle East](#)

By [Philip Giraldi](#), January 18, 2023

There is considerable hypocrisy in the US/European point of view as the US and NATO have been invading and regime changing governments in a number of countries since 9/11, including that of Ukraine in 2014.

[“Punishing Vladimir Putin”: Duplicitous EU Bureaucrats Demand War Crimes Tribunal](#)

By [Kurt Nimmo](#), January 18, 2023

German Foreign Minister Anna Baerbock is nursing a fantasy. She believes one day Vladimir Putin will be hauled into The Hague and tried for war crimes. Her dream is to punish Putin for fumigating Nazis in Ukraine.

[Pottery, Poetry, and Protest: “Hear Me Now” at the Metropolitan Museum of Art](#)

By [Prof. Sam Ben-Meir](#), January 18, 2023

This is an extraordinary exhibition, the significance of which can hardly be overstated. One can perceive these ceramics fashioned by the hands of slaves, as the material incarnation of human freedom: on one hand, they are the work of men in bondage and yet they stand witness to an inwardness, a human core that cannot be enslaved.

[‘Fragmented World’ Sleepwalks Into World War III](#)

By [Pepe Escobar](#), January 18, 2023

The self-appointed [Davos “elites”](#) are afraid. So afraid. At this week’s World Economic Forum meetings, mastermind Klaus Schwab – displaying his trademark Bond villain act – carped over and over again about a categorical imperative: we need [“Cooperation in a Fragmented World”](#).

[Canadian Academics for COVID Ethics](#)

By [Canadian Academics for COVID Ethics](#), January 18, 2023

Canadian Academics for Covid Ethics (CA4CE) is a group of researchers and scholars from fields spanning the natural and social sciences and humanities. We are greatly concerned about the mismanagement of the ongoing SARS-CoV-2 pandemic response in Canada and around the world. We are publicly funded experts trained in thinking through problems, integrating knowledge, and sharing our findings in written and spoken form. Therefore, it is our duty to raise these concerns.

[How Facebook Removed “True Content” for Pfizer and the White House](#)

By [Igor Chudov](#), January 18, 2023

Facebook willingly and enthusiastically participated in a cruel, dishonest, manipulative scheme that ended up with millions affected by Covid vaccines. Was it done “for the good of humanity”? Was it an honest mistake? It was NOT an honest mistake.

[A Picture of Global Complicity: Aiding Myanmar’s Military Regime](#)

By [Dr. Binoy Kampmark](#), January 18, 2023

International relations remains the sum game of vast hypocrisies, a patchwork of compromises and the compromised. Every moral condemnation of a regime’s conduct is bound to be shown up as an exercise in double standards, often implicating the accusers. In the case of the military regime in Myanmar, double standards are not only modish but expected.

[After COVID Vaccine Rolled Out, the FAA Tacitly Admitted that Pilots Electrocardiogram \(EKG\) Are No Longer Normal.](#)

By [Steve Kirsch](#), January 18, 2023

In the October 2022 version of the FAA Guide for Aviation Medical Examiners, the FAA quietly widened the EKG parameters beyond the normal range (from a PR max of .2 to unlimited). And they didn’t widen the range by a little. They widened it by a lot. It was done after the vaccine rollout.
