[A Lost Small Town. Running Errands in the Wake of Emotional Violence, USA](#)

By [Dr. Naomi Wolf](#), November 08, 2022

I forgive this employee for having to follow a script that must have been set out by the town, for all the small businesses to follow, in some bizarre, coercive methodology, as this out-of-the-blue, un-American and inappropriate question was posed all at once somehow, in store after store, in my little town, in the nearby towns, even in New York City, during a certain moment in the bad year of 2021.

[‘Too Many Unknown Factors’: California Lawmakers Object to Genetically Engineered Mosquitoes](#)

By [Julia Conley](#), November 08, 2022

As environmental advocates call on regulators to “lead with sound science” regarding the proposed release of thousands of genetically engineered mosquitoes on a weekly basis in central California, eight Democratic lawmakers on Thursday [demanded](#) that officials reject the proposal without an in-depth review of its potential impacts.

[Europe May See Forced De-Industrialization as Result of Energy Crisis](#)

By [Irina Slav](#), November 07, 2022

The European Union has been quietly celebrating a consistent decline in gas and electricity consumption this year amid record-breaking prices, a cutoff of much of the Russian gas supply, and a liquidity crisis in the energy market.

[Tyranny Looms as Digital IDs and Currencies Roll Out Around the World](#)

By [Andreas Wailzer](#), November 07, 2022

By now, you probably know about the plans for digital IDs and digital currencies. But how far along are these plans exactly in various places around the world? What steps are being undertaken right now? Why are digital “identities” so problematic? And what are possible solutions? We will explore these questions in this article.

[Twitter Censorship: EU Warns Elon Musk Not to Restore Free Speech Protections After Calls from Clinton and Other Democratic Leaders](#)

By [Jonathan Turley](#), November 07, 2022

The EU has responded aggressively to warn Musk not to allow greater free speech or face crippling fines and even potential criminal enforcement. After years of using censorship-by-surrogates in social media companies, Democratic leaders seem to have [rediscovered good old-fashioned state censorship](#).

[The Government Is Still Waging War on America's Military Veterans](#)

By [John Whitehead](#) and [Nisha Whitehead](#), November 07, 2022

Consider: we raise our young people on a steady diet of militarism and war, sell them on the idea that defending freedom abroad by serving in the military is their patriotic duty, then when they return home, bruised and battle-scarred and committed to defending their

freedoms at home, we often treat them like criminals merely for exercising those rights they risked their lives to defend.

[US Nuclear Forces Chief Says 'the Big One Is Coming'](#)

By [Dave DeCamp](#), November 07, 2022

The commander that oversees US nuclear forces delivered an ominous warning at a naval conference last week by calling the war in Ukraine a “warmup” for the “big one” that is to come.

[Know Your Child's Seizure Risk from the MMR Vaccine](#)

By [Physicians for Informed Consent](#), November 07, 2022

There is a five-fold higher risk of seizures from the MMR vaccine than seizures from measles infection, and a significant portion of MMR-vaccine seizures may cause permanent harm. For example, a Danish study of 1.54 million people, published in the American Journal of Epidemiology in 2007, examined the association between febrile seizures and epilepsy, a chronic brain disorder that leads to recurring seizures.
