[The West's Sanctions Hypocrisy: Russia's Import Substitution Programme. Sanctions Backfire](#)

By [Rodney Atkinson](#), September 04, 2023

Sanctions against Russia have proved to be a farce, with damaging blowback against European economies, continued (but never mentioned) western energy imports from Russia, a big recovery in Russian GDP growth since early 2022 and a major Russian programme of import substitution aiming at long term self sufficiency in goods and services previously bought from the West.

[COVID-19 Vaccine and Booster Hesitancy: How Do mRNA Vaccine Con-artists and Big Pharma Drug Pushers View Those Who Don't Want Their Toxic Products Anymore?](#)

By [Dr. William Makis](#), September 05, 2023

COVID-19 booster "hesitancy" is a huge problem for big pharma (at the time, they thought 44% of Americans would continue taking boosters, but that number is now down to 5%, so the situation for them is much worse now).

[G20 Anticipating New Dawn with African Union](#)

By [Prof. Maurice Okoli](#), September 05, 2023

Johannesburg was the scene for the 15th BRICS — Brazil, China, India, Russia and South Africa — summit held late August during which leaders raised African Union's permanent seat in the G20. Early September, New Delhi is the scene for the G20 summit to discuss changing geopolitical situation and global development and most likely to make historic approval finally of AU's permanent seat in G20.

[The COVID-19 Vaccine Applied at the Level of the Entire Planet. It's a Criminal Undertaking](#)

By [Prof Michel Chossudovsky](#), September 05, 2023

A sensationalist BBC report under the title: Why is the Virus such a Threat" ... Quoting "scientific opinion" the virus' has a "hit and run killer evolutionary tactic" to spread the Covid-19 infection far and wide. Timely report published two weeks prior to the launching of the mRNA vaccine in November 2020. The objective of this insidious BBC report was to generate fear throughout the UK as well as acceptance of the mRNA vaccine.

[The Late Graeme MacQueen and 9/11: In His Own Words](#)

By [Michael Welch](#), [Prof. Graeme MacQueen](#), and [Ted Walter](#), September 04, 2023

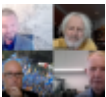

While not exactly the first person out of the gate to expose these horrific discoveries, Graeme MacQueen, an academic who would rise to a position of prominence within the 9/11 truth movement would not only cast his gaze on some of the most profound discoveries, but would network and organize in his request to get to the heart of what 9/11 and the war on terrorism was really all about.

[U.S. War Crimes Against the People of Japan: Emanuel Pastreich](#)

By [Emanuel Pastreich](#), September 04, 2023

The United States would never return to a peace economy after 1945, and the dependency on the production of petroleum, vehicles, planes, and weapons to drive a consumption economy that resulted from the war would reshape the America forever.

[Polish Anti-War Debates: Criticism of Kiev Regime or NATO, Punishable with Prison Sentence](#)

By [Konrad Rękas](#), September 04, 2023

Polish Anti-War Debates are a kind of phenomenon. Even though Poland is not formally a belligerent, there is strict war censorship there. Secret Service has the right to limit access to independent media without giving a reason.

[China Bans Sale of Japanese Seafood Due to Fukushima Radiation Contamination. Tokyo to File Appeal at WTO](#)

By [Ethan Huff](#), September 04, 2023

Not everyone is a-okay with Japan's recent decision to dilute radioactive wastewater from the melted-down Fukushima nuclear power plant and dump it back into the Pacific Ocean, most notably communist China, which is [no longer buying seafood from Japan](#) due to concerns about it being contaminated with radiation.

[On the Future of Manufactured Pandemics: Origins of COVID-19, the U.S. Military's Bioweapons Program, Global Vaccine Resistance](#)

By [Timothy Alexander Guzman](#), September 04, 2023

Release a bioweapon, discover a vaccine as the cure, and then scare or force people to take the so-called "vaccine" or what I like to call "experimental shots." Besides the goals of depopulation, the political and corporate establishment and their Big Pharma cartels have created long-term patients from the injuries caused by the Covid-19 experimental shots which in their perspective, is good for business.

[G20: Last Waltz in a World Torn Apart](#)

By [M. K. Bhadrakumar](#), September 04, 2023

The Modi government is not perplexed by the absence of Russian President Vladimir Putin and Chinese President Xi Jinping in the G20 Summit on September 9-10. Its intuitive cognition helps to be stoical. This is, arguably, a Shakespearean predicament — "I am in blood / Stepped in so far, that, should I wade no more, / Returning were as tedious as go o'er."
