[What the Leaked EMA Emails and Docs Reveal: Major Concerns with Pfizer C-19 Vaccine Batch Integrity and the Race to Authorize](#)

By [Sonia Elijah](#), July 12, 2022

The time period of the email correspondence in question stretches from November 10 – 25, 2020, just weeks before the EMA granted CMA (conditional marketing authorization) for the Pfizer-BioNTech Covid-19 vaccine on December 21, [2020](#).

[NATO: By Making China the Enemy, the Alliance Is Threatening World Peace](#)

By [Jonathan Cook](#), July 12, 2022

As the saying goes, if you only have a hammer, every problem looks like a nail. The West has the North Atlantic Treaty Organization ([Nato](#)), a self-declared [“defensive” military alliance](#) – so any country that refuses its dictates must, by definition, be an offensive military threat. That is part of the reason why Nato issued a new [“strategic concept” document](#) last week at its summit in Madrid, declaring for the first time that China poses a [“systemic challenge”](#) to the alliance, alongside a primary [“threat”](#) from [Russia](#).

[Ukraine and NATO’s Hardline Position on Expansion: End the War, Lift the Sanctions, Initiate Peace Negotiations](#)

By [Dr. Chandra Muzaffar](#), July 12, 2022

NATO’s hardline position on expansion and membership is further reinforced by a motive which has become more obvious in the course of the war. Some members of NATO and the US leadership are keen to exploit the war to emasculate Russia as a military power.

[India to Boost Sakhalin-1 Oil Output](#)

By [M. K. Bhadrakumar](#), July 12, 2022

After Sakhalin-2, Moscow also plans to nationalise Sakhalin-1 oil and gas development project by ousting US and Japanese shareholders. But Moscow will make an exception for India so that OVL which holds 20% stake will remain & continue to work. Moscow grapevine is that while Rosneft will continue to hold controlling share, more Indian companies may be inducted to replace US & Japan and thereby also ensure a sales market in India.

[Ex-NATO Commander Calls on Ukraine to Blow Up Crimean Bridge](#)

By [Prof Michel Chossudovsky](#) and [Ukrainian News](#), July 12, 2022

This bridge was geared towards train transport routes linking Western and Eastern Europe to the Caspian Sea basin, Kazakhstan and China. It is therefore an integral part of the Eurasian Project (linking up with China's Belt and Road initiative). In recent developments, "former Commander-in-Chief of the NATO Allied Forces in Europe, General Philip Breedlove, said that the Crimean Bridge is a legitimate target for attack by Ukraine".

[Black Alliance for Peace Condemns Extension of United Nations Mandate in Haiti and Calls on Mexican President Andrés Manuel López Obrador to Support Haitian Independence and Sovereignty](#)

By [Black Alliance for Peace](#), July 12, 2022

Since beginning a 2-year term on the UNSC, President Andrés Manuel López Obrador (AMLO) of Mexico has supported U.S.-backed initiatives that would extend BINUH's occupation of Haiti. Mexico and the United States are "[co-penholders](#)" for this process, indicating the leadership role of the Mexican government in bringing forth this year's UNSC resolution on Haiti.

['Head-Spinning': FDA Quietly Grants Full Approval of Pfizer Comirnaty Vaccine for Adolescents](#)

By [Megan Redshaw](#), July 12, 2022

In an [FDA press release](#), the agency said full approval of Comirnaty follows a "rigorous analysis and evaluation of the safety and effectiveness data," and the Pfizer-BioNTech vaccine "has been, and will continue to be authorized for emergency use in this age group

since May 2021.”

[Video: Swedish Study: Pfizer Jab Installs DNA into the Human Genome](#)

By [Alexandra Bruce](#), July 12, 2022

Dr Peter McCullough, Dr Richard Bartlett and Dr Simone Gold join Joni Table Talk host, Joni Lamb to discuss the Swedish in vitro study that shows the Pfizer jab installs DNA into the human genome.

[The Nitrogen Problem in Agriculture](#)

By [Dr. Vandana Shiva](#), July 12, 2022

The nitrogen problem in Agriculture is a problem created by synthetic nitrogen fertilisers made from fossil fuels. Nitrogen fertilisers contribute to atmospheric pollution and climate change in the manufacture and the use of fertilisers.

[“One-sided News on Ukraine”: Open Letter to CBC on Its Defamation of Eva Bartlett](#)

By [Karin Brothers](#), July 12, 2022

The implication that Eva Bartlett’s reporting is bought and paid for by Russia (made, incidentally, by those whose opinions seem to have been bought and paid for by Canadian taxpayers) is defamatory.
