[The WHO's Burgeoning Biomedical Police State: Who's Going to Stop It?](#)

By [Ben Bartee](#), July 09, 2023

The organization atop the world Public Health™ hierarchy, the WHO, is now explicit in stating these aims out loud in public, apparently unafraid to flaunt its ill-gotten power to the people it is in the process of fully subjugating.

[Joe Biden and His Warmongering Minions Seem Absolutely Determined to Drag America Into World War III](#)

By [Michael Snyder](#), July 10, 2023

When the nukes start falling, nobody will be able to say that they weren't warned. Thanks to Joe Biden and his warmongering minions, we are steamrolling toward World War III, but most Americans don't seem to care. Most of us just continue to party our lives away, but meanwhile our leaders seem absolutely determined to drag us into an apocalyptic conflict.

[Shocking Real Reasons for COVID Shot! "The Pandemic of Lies"](#)

By [Neenah Payne](#), July 10, 2023

Vaxxed shows that [Dr. William Thompson](#) was a CDC whistleblower who came forward with documents and data that strongly indicate the CDC illegally manipulated data in the MMR study. Dr. Thompson alleged that during the study, highly significant increases in the risk of autism were found in several populations and the CDC did everything from kicking children off the study to throwing data out to cover it up.

[Ultra Dangerous Malaria “Vaccines”](#)

By [Jordan Schachtel](#), July 10, 2023

During a Wednesday [press conference](#), WHO director Tedros Adhanom declared that 12 African countries will be receiving 18 million doses of malaria vaccine in the coming months, declaring that climate change is largely responsible for the continuing disease burden in the continent.

[Tensions in Ukraine Show Why ‘Nuclear Power Is the Most Dangerous Way to Boil Water’](#)

By [Jessica Corbett](#), July 10, 2023

With Ukrainian and Russian officials trading accusations about a possible looming attack on Europe’s largest nuclear power plant this week, global experts and campaigners are sharing fresh concerns about the facility and the energy source more broadly.

[Those Committed to Helping Ukraine Must First Decide What Constitutes Real Help for the Country’s People](#)

By [Bharat Dogra](#), July 10, 2023

Are common people of Ukraine helped by ever-increasing supply of western/NATO weapons and military training (including increasingly dangerous ammunition having long-term highly hazardous impacts), or is this pushing them deeper into war and conflict?

[More Weapons for Kiev Regime? NATO Chief Stoltenberg’s Confused and Contradictory Statements](#)

By [Andrew Korybko](#), July 09, 2023

To be absolutely clear in order for this analysis not to be misinterpreted or spun as meaning something that it doesn’t, there’s no guarantee that the US will cut off Kiev’s arms supply, peace talks will then resume, and the conflict will be successfully frozen.

[The Syrian Refugees in Germany Face Danger](#)

By [Steven Sahiounie](#), July 09, 2023

Lebanese clans living in Germany, who are involved in drug trafficking, have caused death

and mayhem. The German police responded to a massive brawl which broke out on June 16 in front of a restaurant in Essen that left a [23-year-old Syrian man dead](#), several German police officers injured, and 150 Lebanese arrested.

[Lancet Study on COVID Vaccine Autopsies Finds 74% Were Caused by Vaccine – Study Is Removed Within 24 Hours](#)

By [Will Jones](#), July 09, 2023

A Lancet review of 325 autopsies after Covid vaccination found that 74% of the deaths were caused by the vaccine – but the study was removed within 24 hours. The paper, a pre-print that was awaiting peer-review, is written by leading cardiologist Dr. Peter McCullough, Yale epidemiologist Dr. Harvey Risch and their colleagues at the [Wellness Company](#) and was published online on Wednesday on the [pre-print site](#) of the prestigious medical journal.

[A Bankrupt Calculus: Sending Cluster Munitions to Ukraine](#)

By [Dr. Binoy Kampmark](#), July 09, 2023

There is a certain desperation in the logic of those who argue that a depraved solution has merit because it's only slightly less depraved than that of the opponent. Torture is bad but should still be used because your adversary feels free to resort to it. Only do so, however, via judicial warrant.
