[The WHO Pandemic Treaty Secret Negotiations. Crimes Against Humanity. Dr. Tedros Is in “Conflict of Interest”](#)

By [Prof Michel Chossudovsky](#) and [James Roguski](#), January 12, 2023

The International Health Regulations Review Committee (IHRRC) of the World Health Organization (WHO) is planning to meet in secret from Monday, January 9, 2023 to Friday January 13, 2023. The IHRRC will be working to finalize what is now a 46 page document that includes proposed amendments to the International Health Regulations (IHR).

[COVID Vaccine: “This is the biggest crime against humanity since the Holocaust.” Andrew Bridgen Suspended as U.K. Conservative MP](#)

By [Will Jones](#), January 12, 2023

MP Andrew Bridgen has had the Conservative whip remove him, – meaning he is suspended from sitting as a Conservative MP and must sit without party affiliation – pending a “formal investigation” after causing “great offence” with remarks saying the Covid vaccines are “causing serious harms” and the vaccination campaign was “the biggest crime against humanity since the holocaust”.

[Nicaragua Is World’s #1 Country Where Citizens Feel at Peace, Gallup Poll Shows](#)

By [Ben Norton](#), January 12, 2023

A poll by mainstream firm Gallup found that Nicaragua is the No. 1 country in the world where citizens feel at peace. Nine of the top 14 countries are in Latin America. But the US constantly attacks the Sandinista government and imposes sanctions on it.

[Biden's Real Ukraine Scandal: Regime Change and War](#)

By [Rick Rozoff](#), January 12, 2023

The rapidity with which the U.S. penetrated and dominated much of post-Soviet territory is breath-taking. Only three years since the dissolution of the Soviet Union former federal republics of the nation were absorbed in NATO's first, as it were, apprenticeship program, the Partnership for Peace.

[Net Zero Will Lead to the End of Modern Civilisation, Says Top Scientist](#)

By [Chris Morrison](#), January 12, 2023

A damning indictment of the Net Zero political project has been made by one of the world's leading nuclear physicists. In a recently published [science paper](#), Dr. Wallace Manheimer said it would be the end of modern civilisation. Writing about wind and solar power he argued it would be especially tragic "when not only will this new infrastructure fail, but will cost trillions, trash large portions of the environment, and be entirely unnecessary".

[The Lesson We Should Have Learned from 'Silent Spring'. Manmade Chemical Pollutants Threaten Humanity](#)

By [Nick Gottlieb](#), January 12, 2023

Last year marked six decades since the publication of Rachel Carson's seminal work Silent Spring, the book often credited with inspiring the modern environmental movement (at least in North America). One impactful line from the book stands out as being even more true today than it was in 1962: "Every human being is now subjected to contact with dangerous chemicals, from the moment of conception until death."

[Gas Prices to Remain High in Europe While LNG Imports Reached Their Upper Limit](#)

By [Uriel Araujo](#), January 12, 2023

Since January 1, the UK has banned Russian LNG imports and is looking to other producers such as the US to meet demand. On January 9 the UK government announced it is extending the support it provides to companies regarding their energy bills for another year - which will cost around £ 5. bn.

[The Ever Widening War](#)

By [Dr. Paul Craig Roberts](#), January 12, 2023

If reports are correct that modern Western weapon systems are slated to pour into Ukraine—the latest US and German tanks, Patriot missile systems, and other current weaponry—Minister Reznikov is correct.

[Video: Canada Persecution of Ethical Doctors](#)

By [Dr. Mark Trozzi](#), January 12, 2023

Thanks to [Aga Wilson](#) and [Children's Health Defence Europe](#) for bringing international attention to the unlawful weaponization of the Colleges of Physicians and Surgeons of Ontario and British Columbia, against ethical doctors who maintain our oaths and responsibilities, while refusing to participate in the covid-crimes-against-humanity. Here is the interview.

[Joining the War Club: Australia's HIMARS Purchase. \(High Mobility Artillery Rocket System\)](#)

By [Dr. Binoy Kampmark](#), January 12, 2023

Another needless, fatuous endeavour; another irresponsible drain on the public purse; another expression that the military-industrial complex Down Under is thriving in all its insidious stupidity. But Australia's purchase of HIMARS (High Mobility Artillery Rocket System) batteries from the United States can be put down to loneliness – or the feeling of being left out.
