By [Prof. Anthony J. Hall](#), August 19, 2023

For over two years now we have been subject to an unprecedented scheme of mass injection. The contents of the shots pretend to provide a cure for the contagion said to be caused by a supposedly “novel” coronavirus.

By [Prof. Alexandra J. Ravenelle](#) and [Liv Walton](#), August 19, 2023

Back in 1929 when the market crashed and the Great Depression began, Uber, TaskRabbit, and the gig economy were almost a century in the future.
