[Wikipedia: The Failed Experiment to Democratize Knowledge. “Character Assassinations,” Censorship, an Instrument of Global Corporatism](#)

By [Richard Gale](#) and [Dr. Gary Null](#), June 04, 2024

‘Character Assassination’ is a practice in which a deliberate and sustained effort is made to damage the reputation or credibility of an individual, social groups or institutions. For those whose reputations and positive public contributions have been terrorized and debased by Wikipedia, there is no recourse to restore their character, legal or otherwise.

[“We designed mRNA to kill” - CIA Whistleblower?](#)

By [Peter Koenig](#), June 05, 2024

The COVID plandemic was a tool to convert the surviving humanity into a surveillance state – into a One World Order (OWO), following a One World Government (OWG), with digital, programmable money – so-called “Central Bank Digital Currency” (CBDC), with mandatory vaccination, to eliminate a large proportion of useless people (Schwab’s Israeli adviser Yuval Noah Harari), to free up resources for the elite.

[Every Escalation Brings Washington Closer to Defeat in Ukraine. “Not Winning” Versus “Losing” a War](#)

By [Mike Whitney](#), June 05, 2024

There is a vast difference between “not winning” and “losing” a war. In the case of Ukraine, “not winning” means that President Zelensky and his handlers in Washington choose to pursue a negotiated settlement that would allow Russia to keep the territory it captured

during the war while addressing Moscow's modest security demands.

[“The Indoctrinated Brain: How to Successfully Fend Off the Global Attack on Your Mental Freedom”](#)

By [Dr. Joseph Mercola](#), June 04, 2024

In his book, “The Indoctrinated Brain: How to Successfully Fend Off the Global Attack on Your Mental Freedom,” Dr. Michael Nehls explains how chronic stress and fearmongering have led to inhibited hippocampal neurogenesis and decreased mental resilience, which facilitates indoctrination.

[The Normalization of Nuclear Weapons. Prof. Michel Chossudovsky](#)

By [Dr. Paul Craig Roberts](#), June 04, 2024

There is now in the US a vast industry funded with \$1.3 trillion developing “usable” nuclear weapons. All sorts of private contractors, scientific laboratories, the Pentagon are involved. In other words, the vast sum is widely spread resulting in a massive influential institutionalized interest that prevents nuclear disarmament.

[Rebuilding Ukrainian Armed Forces: Commanders Complain “Fresh Recruits” Being Sent “to Simply Die”](#)

By [Ahmed Adel](#), June 04, 2024

A US report points to significant problems in rebuilding the Ukrainian Armed Forces, especially as front line commanders will lead poorly trained recruits, who will be called up under the new conscription law, “to just die.” The same report also indicates that Ukraine is now recruiting prisoners as manpower shortage is evidently having a crippling effect on the front lines.

[Russia's Victory Over Ukraine Is Drawing Near. Scott Ritter](#)

By [Scott Ritter](#), June 05, 2024

From a military perspective, Russia's strategic goal has always been the “demilitarization” of Ukraine. Initially, this could have been achieved by defeating the Ukrainian military on the field of battle. Indeed, Moscow was well on the path toward achieving this goal.
