[Halting Our Descent into Tyranny: Defeating the Global Elite's COVID-19 Coup](#)

By [Robert J. Burrowes](#), August 19, 2020

As many authors have documented, the global elite is conducting a coup to take complete control of our lives. It is doing this by using the 'virus' to terrorize the human population into believing that we will 'catch' Covid-19 if we do not submit to draconian restrictions on our rights and freedoms. And while the elite is conducting its coup, the most important challenges that confront our world are being largely ignored.

By [Rick Sterling](#), August 19, 2020

One theme running through the book is the need to reach out and engage with regular people. She recounts her experiences opposing the US war on Vietnam. Johnstone and her allies launched a campaign to educate and engage with regular Minnesotans, to explain what was happening in Vietnam and why the war should be opposed. She helped organize teams of students and teachers who went door to door in Minneapolis.

[The Great Election Fraud: Will Our Freedoms Survive Another Election?](#)

By [John W. Whitehead](#), August 19, 2020

And so it begins again, the never-ending, semi-delusional, train-wreck of an election cycle in which the American people allow themselves to get worked up into a frenzy over the misguided belief that the future of this nation—nay, our very lives—depends on who we elect as president. For the next three months, Americans will be dope-fed billions of dollars' worth of political propaganda aimed at keeping them glued to their television sets and persuading them that 1) their votes count and 2) electing the right candidate will fix everything that is wrong with this country.

[Ten Years of Planetary Movement for Mother Earth!](#)

By [Prof. Claudia von Werlhof](#), August 19, 2020

The truth to be known are the facts about the system we live in, which in itself is based on different forms of direct and structural violence against life itself, against nature and against human beings! This truth is a secret and thus it has become a taboo to speak about these facts. Whenever this taboo is violated, we have observed, there is always a prompt reaction to stop any further discussion of it.

[Lebanon: Pearl on the New Silk Road or Zone of Dark Age Chaos](#)

By [Matthew Ehret-Kump](#), August 19, 2020

In the weeks surrounding the Lebanon disaster, Iran found herself the target of a vicious sequence of attacks as arson and explosions were unleashed beginning with the June 26 explosion at the Khojir Missile production complex, the June 30 explosion at a medical clinic killing 19, a July 2 explosion at the Natanz nuclear facility which set Iran's centrifuge production schedule [back by months](#) and the July 15 fires at the Bushehr Aluminum plant. Additionally, and the UAE experienced its own anomalous fires which ravaged one of the most important markets in Dubai (luckily empty due to Covid-19) on August 5.

A report released by Oxfam in July 2020 [states](#), "COVID-19 is deepening the hunger crisis in the world's hunger hotspots and creating new epicentres of hunger across the globe. By the end of the year 12,000 people per day could die from hunger linked to COVID-19, potentially more than will die from the disease itself." Like other regions in the world, Latin America, too, is set to witness the intensification of an already-existing hunger crisis with the number of people facing severe food insecurity [increasing](#) from 4.3 million in 2019 to 16 million in 2020, an increase of 269%.

[Agenda ID2020 of the "One World Order": The 101 to Understanding Its Implications](#)

By [Peter Koenig](#) and [Dr. Vernon Coleman](#), August 17, 2020

Agenda ID2020 - is hardly mentioned by any media, let alone the mainstream. Agenda ID2020, if carried out, is the ultimate control by a small elite - of the One World Order (OWO), also called the New World Order (NWO) - over the world population. It is a mechanism that would allow controlling every movement of each one of the 7-plus billion people of planet earth, including everyone's health records, cash flows, bank accounts, as well as our behavior in this ultra-controlled society - which I refrain from calling civilization anymore.
