### **Dear Readers,**

*More than ever, Global Research needs your support. Our task as an independent media is to "Battle the Lie".*

*"Lying" in mainstream journalism has become the "new normal": mainstream journalists are pressured to comply. Some journalists refuse.*

*Lies, distortions and omissions are part of a multibillion dollar propaganda operation which sustains the "war narrative".*

*While "Truth" is a powerful instrument, "the Lie" is generously funded by the lobby groups and corporate charities. And that is why we need the support of our readers.*

## [The Corbyn Effect](#)

By [William Bowles](#), May 23, 2018

Corbyn's Phoenix-like rise signifies the last gasp of the old social democratic contract between capital and labour, when the organised working class took a little more of the wealth they created, back via the social contract, not necessarily as money but principally via the social wage; the NHS; public housing, social benefits, greater state regulation of capital, nationalisations, some progressive taxation and so on.

## [The Gaza Massacre and Israel's Thriving "Blood Diamond" Economy](#)

By [Sean Clinton](#), May 23, 2018

Last week's massacre in Gaza would not have happened if organisations which the public rely upon to uphold international human rights standards had done what they are supposed to do and spoken out at an OECD Forum on Responsible Mineral Supply Chains in Paris in April, just days after Israel had, at that stage, gunned down and killed over 30 innocent civilians in Gaza.

## [Why Did the US Sabotage President Putin's Peace Plan for Syria?](#)

By [Andrew Korybko](#), May 23, 2018

Secretary of State Pompeo's direct and fiery demand earlier this week that Iran withdraw from Syria overshadowed President Putin's indirect and polite request during last week's Sochi Summit for the same, thereby putting Syria on the spot in having to publicly deny that any such talks were ongoing in order to "save face", though the American strategy of sabotaging Russia's peace plan isn't as clear-cut as it may seem.
