Many respected senior members of the U.S. military, intelligence services, and government have expressed significant criticism of the 9/11 Commission Report. Some even allege government complicity in the terrible acts of 9/11. Below are the highly revealing statements on this vital topic of over 50 prominent public servants with links for verification and further investigation.

The collective voices of these respected senior officials give credibility to the claim that the 9/11 Commission Report is tragically flawed. These dedicated individuals from both political parties cannot be simply dismissed as irresponsible believers in some 9/11 conspiracy theory. Their sincere concern, backed by decades of service to their country, demonstrate that criticism of the 9/11 Commission Report is not only reasonable and responsible, it is in fact a patriotic duty.
