‘Hillary, has anyone ever told you that you are the super predator?’ One protester screamed as the former secretary of state approached her car.

‘[Bill Clinton](#), you’re a genocide supporter. F\*\*\* you, you piece of s\*\*t,’ the demonstrator added as the ex-president followed her out.

But Hillary appeared unfazed raising a hand to wave and flashing a smile at the others who had gathered to see her even as the critique kept coming.

‘You are responsible for genocides, you are responsible for atrocities. You’re literally helping facilitate the genocide of Palestinian people,’ the protester continued.

She continued bellowing even as Hillary got into the vehicle and shut the door.

‘F\*\*\*ing piece of s\*\*t Hillary! Over 34,000 people are dead Hillary. Call yourself a feminist? Women are dying in [Gaza](#).’

As the car pulled away, the protester was seen giving the finger before chasing the vehicle down the road to continue shouting.

‘Hillary Diane Rodham Clinton, we can see you hiding in the back of your car,’ the demonstrator yelled. ‘Stop holding fundraisers for genocide you f\*\*\*ing coward. How many people have died at your hands?’
