

The Silencing of Independent Media: Global Research Needs Your Help

By [Global Research](#)

Global Research, August 05, 2019

Dear Readers,

An increasing number of search engines implement algorithms which are negatively biased against independent news and analysis websites such as Global Research. Our website gets filtered out from their results, making our articles harder to find, which reduces website traffic and, therefore, website revenue. The diverse coverage we provide has always been made available free of charge and, [with your help](#), we would like to keep it that way.

Making sure we do everything in our power to keep our articles as visible and accessible to you as we can is a full time job. It's also a job we can't do on our own: Your support is essential to the longevity of GlobalResearch.ca.

We are currently running a monthly deficit. Can you help us stay on course through these rough waters by making a donation or becoming a member today?
