Slovak Prime Minister Robert Fico was shot today - 15 May 2024 - and gravel insured, as he was greeting and shaking hands with the crowd in the center town of Handlova, Slovakia, where he had been attending a government meeting at the Palace of Culture.

PM Fico is an ardent opponent of the WHO Pandemic Treaty and the revised WHO International Health Regulations (IHR).

PM Fico was approached by a man in the crowd, who fired close range five shot at him, severely injuring the PM, before the perpetrator was being tackled to the ground and arrested by security officers.

Defense Minister Robert Kalinak said,

“He has multiple injuries, and his condition is extremely serious. We are still praying for good news, but we don’t have that news yet. He has been in the operating room for 3 ½ hours. His condition is very complicated.”

The PM had openly declared that his country, Slovakia, was not going to sign the WHO “Pandemic Treaty”, nor the revised International Health Regulations (IHR), which would give WHO and especially WHO’s Director General dictatorial powers overarching his and the WHO’s 194 member countries’ health and climate sovereignty.

Yes, *climate* too. The technocratic tyrants and psychopaths – World Economic Forum (WEF), WHO, the United Nations (UN) – and the dark powers backing these *executing agencies*, have decided that the fake “climate change” being promoted and indoctrinated into the world at large for at least the last half a century was part of the health domain, as it affected human, animal, and plant life.

So, “climate” falls under WHO’s health responsibility, and worse, the direct responsibility of *WHO’s DG Tedros Adhanom Ghebreyesus*; a man perused in his home country, Ethiopia, for terrorist activities.

For speaking up against this potentially largest crime against humanity in recent history, a high politician may have to pay with his life. God forbid – and let us pray, that PM Robert Fico will survive.

[See this](#), including a 3-min speech by PM Robert Fico, in which he explains his and his countries strong opposition to these treaties, agreements and regulations.

It is said and suspected that several country leaders from Africa and Haiti were assassinated, as they officially objected against the mRNA killer “vaxxes” in their countries, during the 2021-2023 period of Covid mRNA “vaccination” mandates.

For those who still have doubts, humanity is in a World War – is it WWIII? – or is it a sheer war for human survival?

Just remember, the WEF’s Great Reset and the UN Agenda 2030, as well as the Club of

Rome, want the world population to be reduced by close to 90% - in whatever way possible. One of the ways, highly promoted since years, is Bill Gates's drive for "vaccinating" the world, even before the 2020-2030 universal covid hoax.

Do not ask why. Psychopaths are non-humans - but they are dangerously getting close to controlling the world if we, humans, do not ACTIVELY interfere, and keep pathetically looking on like a herd of sheep.

As long as they - the WEF, UN, WHO--- are pretending to call the shots, they do not have to give you an answer. Besides, they will never tell you the truth. But, remember, Yuval Noah Harari has repeatedly called us, the people, "useless eaters".

Harari is one of Klaus Schwab's (WEF) closest advisers. He meant to say that we better be made to "disappear", as We, the People, serve no purpose in the One World Order (OWO), under the all digitized "4th Industrial Revolution", a Schwab / WEF invention.

And humanity would also be subject to the "One Health Order", in case the Pandemic Treaty and the revised IHR would be signed, or otherwise "muddled through" - during the upcoming World Health Assembly - 27 May to 1 June 2024 - or the UN General Assembly in September 2024, or in any other way.

All is possible. See also [this](#).

We are not there yet.

But the attempted murder of the Slovak PM, presumably because of his stance against the planned eugenist WHO tyranny should be a warning, a WAKE-UP CALL.

Become aware, be aware - and stand up for human rights, for humanity and for the beautiful gift of life.
