Update:

Since posting this article, we received messages to the effect the Spanish Air controller is fake and that the twitter message were sent out of London. These reports are incorrect. Upon further investigation, the Spanish Air Controller conducted several media interviews in the last 2-3 months, see his interview with RT: <http://actualidad.rt.com/actualidad/view/127516-amenazar-controlador-espanol-ucrania-crisis>

The Spanish Air Controller's twitter account was closed down.

The Boeing-777 of the Malaysian Airlines flight MH17 from Amsterdam to Kuala Lumpur **"disappeared from the radars and crashed"** on Thursday evening near Grabovo in Ukraine's Donetsk oblast

We bring to the attention of GR readers, the following timeline Tweets by the Spanish Air controller at Kiev Borisopol Airport.

This report has yet to be fully corroborated and should be read with caution. We have highlighted relevant sections. Update: the report is corroborated

There was an unexplained change of course of the Malaysian MH17 flight which took the aircraft directly over the Eastern Ukraine warzone.

The Spanish air controller confirms a conflict between the Ministry of Defense and the Ministry of the Interior intimating that the order concerning the downing of the aircraft came from the Ministry of the Interior, which is dominated by Svoboda and Right Sector.

He also said that the MH17 flight was escorted by Ukrainian fighter jets minutes before it was downed. It is worth noting that the presence of the Ukraine fighter jets reported by the Spanish air traffic controller was confirmed by eyewitness reports in the Donetsk region:

"eyewitnesses in the Donetsk region saw Ukrainian warplanes near the passenger jet. They say they heard sounds of powerful blasts and saw a Ukraine warplane shortly before the crash. (ITAR Tass)

UPDATE:

We are informed that the twitter account of the Spanish air controller has been closed down. Following his statements, he and his family have been threatened by the Kiev regime, including death threats.

He has been deported from Ukraine. He is a man of courage and determination committed to the truth.
