The Global Research PDF Collection includes:

[The Globalization of War: America's "Long War" against Humanity \(PDF\)](#) (Click title to order individual PDF)

Author: Michel Chossudovsky

ISBN Number: 978-0-9879389-0-9

Year: 2015

Product Type: PDF File

America's hegemonic project in the post 9/11 era is the "Globalization of War" whereby the U.S.-NATO military machine —coupled with covert intelligence operations, economic sanctions and the thrust of "regime change"— is deployed in all major regions of the world. The threat of pre-emptive nuclear war is also used to black-mail countries into submission.

This "Long War against Humanity" is carried out at the height of the most serious economic crisis in modern history.

It is intimately related to a process of global financial restructuring, which has resulted in the collapse of national economies and the impoverishment of large sectors of the World population.

The ultimate objective is World conquest under the cloak of “human rights” and “Western democracy”.

[The Globalization of Poverty and the New World Order \(PDF\)](#) (Click title to order individual PDF)

Author: Michel Chossudovsky

ISBN Number: 978-0973714708

Year: 2003

Product Type: PDF File

In this new and expanded edition of Chossudovsky’s international best-seller, the author outlines the contours of a New World Order which feeds on human poverty and the destruction of the environment, generates social apartheid, encourages racism and ethnic strife and undermines the rights of women. The result as his detailed examples from all parts of the world show so convincingly, is a globalization of poverty.

This book is a skilful combination of lucid explanation and cogently argued critique of the fundamental directions in which our world is moving financially and economically.

In this new enlarged edition – which includes ten new chapters and a new introduction — the author reviews the causes and consequences of famine in Sub-Saharan Africa, the dramatic meltdown of financial markets, the demise of State social programs and the devastation resulting from corporate downsizing and trade liberalisation.

[The Dirty War on Syria: Washington, Regime Change and Resistance \(PDF\)](#) (Click title to order individual PDF)

Author: Tim Anderson

ISBN Number: 978-0-9737147-7-7

Year: 2016

Product Type: PDF File

The Dirty War on Syria has relied on a level of mass disinformation not seen in living memory. In seeking ‘regime change’ the big powers sought to hide their hand, using proxy armies of ‘Islamists’, demonising the Syrian Government and constantly accusing it of atrocities. In this way Syrian President Bashar al Assad, a mild-mannered eye doctor, became the new evil in the world.

As western peoples we have been particularly deceived by this dirty war, reverting to our worst traditions of intervention, racial prejudice and poor reflection on our own histories. This book tries to tell its story while rescuing some of the better western traditions: the use of reason, ethical principle and the search for independent evidence.

[America's "War on Terrorism" \(PDF\)](#) (Click title to order individual PDF)

Author: Michel Chossudovsky

ISBN Number: 0-9737147-1-9

Year: 2005

Product Type: PDF File

In this new and expanded edition of Michel Chossudovsky's 2002 best seller, the author blows away the smokescreen put up by the mainstream media, that 9/11 was an attack on America by "Islamic terrorists". Through meticulous research, the author uncovers a military-intelligence ploy behind the September 11 attacks, and the cover-up and complicity

of key members of the Bush Administration.

According to Chossudovsky, the “war on terrorism” is a complete fabrication based on the illusion that one man, Osama bin Laden, outwitted the \$40 billion-a-year American intelligence apparatus. The “war on terrorism” is a war of conquest. Globalisation is the final march to the “New World Order”, dominated by Wall Street and the U.S. military-industrial complex.

[The Global Economic Crisis: The Great Depression of the XXI Century \(PDF\)](#) (Click title to order individual PDF)

Authors: Michel Chossudovsky and Andrew Gavin Marshall, Editors

ISBN Number: 978-0-9737147-3-9

Year: 2010

Product Type: PDF File

In all major regions of the world, the economic recession is deep-seated, resulting in mass unemployment, the collapse of state social programs and the impoverishment of millions of people. The meltdown of financial markets was the result of institutionalized fraud and financial manipulation. The economic crisis is accompanied by a worldwide process of militarization, a “war without borders” led by the U.S. and its NATO allies.

This book takes the reader through the corridors of the Federal Reserve, into the plush corporate boardrooms on Wall Street where far-reaching financial transactions are routinely undertaken.

Each of the authors in this timely collection digs beneath the gilded surface to reveal a complex web of deceit and media distortion which serves to conceal the workings of the global economic system and its devastating impacts on people’s lives.

[Towards a World War III Scenario: The Dangers of Nuclear War \(PDF\)](#) (Click title to order individual PDF)

Author: Michel Chossudovsky

ISBN Number: 978-0-9737147-3-9

Year: 2011

Product Type: PDF File

The world is at a critical crossroads. The Fukushima disaster in Japan has brought to the

forefront the dangers of worldwide nuclear radiation.

Coinciding with the onset of the nuclear crisis in Japan, a new regional war theater has opened up in North Africa, under the disguise of a UN sponsored “humanitarian operation” with the mandate to “protect civilian lives”.

These two seemingly unrelated events are of crucial importance in understanding both the nuclear issue as well as the ongoing US-NATO sponsored war, which has now extended its grip into Libya.

This E-Book strives to forcefully reverse the tide of war, challenge the war criminals in high office and the powerful corporate lobby groups which support them.
