The ['We Are Human, We Are Free'](#) campaign was launched earlier this year. It is designed to enable people to participate in a grassroots nonviolent campaign to strategically resist the World Economic Forum's 'Great Reset' and related initiatives of the Global Elite including the transhumanist, eugenics and Cyber Polygon agendas.

Since being launched, people have been joining from all over the world.

A key initiative of the campaign was to prepare and design a one-page flyer so that people could be given, by various means, a short list of nonviolent actions that offered a series of simple but powerfully effective ways in which anyone could participate in the strategy to defeat the elite agenda.

With the invaluable assistance of members of the campaign from around the world, translations of this one-page flyer are now available in English, Finnish, French, German, Greek, Hungarian, Italian and Spanish with other languages imminent or in the pipeline.

Each of the posters is available [on the website](#).

WE ARE HUMAN

WE ARE FREE

WORLDWIDE NONVIOLENT RESISTANCE TO ELITE CONTROL _ THE GREAT RESET

We Are Human, We Are Free is a worldwide nonviolent resistance movement to free ourselves from elite control and resist the forces of fear and dehumanisation. Our aim is to build a mass civil resistance movement to undermine the power of the criminal Global Elite to control us,

and to regain the freedoms that make our lives worth living. Because we are human, we are free to make choices. The time has come to choose - are we on the side of love, life and freedom or fear, self-imprisonment and tyranny?

WHAT CAN YOU DO?

Refuse Covid-19 injections, tests and passports. Big Pharma is not honest or safe. Choose natural health.

Keep your small business open in lockdown. Buy from small businesses. Don't use contact-tracing QR codes.

Don't wear masks or social distance. Staying human is more important than living in fear.

Boycott corporate & government media that misinform & censor. Choose uncensored media & social media.

Don't buy 5G or smart devices/systems. Resist the fourth industrial revolution. Defend our humanity.

Don't pay Covid-19 related fines. Risk becoming a prisoner of conscience. Seek support.

Pay with cash & switch to community owned banks. Grow your own food. Join local trading schemes.

Wear an orange armband, scarf, or ribbon to show solidarity with the movement.
