

# Take Action: Protests around the World Respond to Assault on Palestine

By [Global Research News](#)

Global Research, July 19, 2014  
[samidoun.ca](http://samidoun.ca)

In-depth Report: [PALESTINE](#)

*Protests are being organized in cities around the world to respond to the ongoing assault on Palestine and the Palestinian people, including the murders of Palestinians (including 16-year-old Muhammad Abu Khdeir, murdered brutally by Israeli settlers), the bombing of Gaza and the killing of over 300 Palestinians by occupation forces, the mass arrests of over 1000, and the raids, attacks, tear-gassing, invasions and closure that Palestinians are being subjected to.*

*If a rally you know of is not listed, please email [samidoun@samidoun.ca](mailto:samidoun@samidoun.ca) to have it posted!*
