First published in March 2017

The deceptive nature of the concept of a “deep state”;

The state is knowable if enough time is spent studying it; 70 years of fake news; Central Intelligence operates illegally and unaccountably;

how the CIA has corrupted the system; egregious crimes committed by Central Intelligence globally; did CIA initiate an intelligence coup against an elected president?;

does the President of the United States run the CIA, or does the CIA run the President?;

the Phoenix Program as a bureaucratic and structural model for Central Intelligence and Homeland Security; organizational similarities between the media and the CIA; what is the nature of the state?
