Stop the Press!

Our government wants to sign CETA at a CANADA-EU summit on OCT. 27, 2016

That will be the kiss of death for any worthwhile banking reform that would make Canada prosperous again, and prevent us from using the Bank of Canada creatively as we did from 1939 to 1974 with such amazing success.

CETA is both illegal and immoral because it unilaterally transfers power from parliament to international bankers and transnational corporations, and reverses a thousand years of progress in establishing government of by and for the people since the Magna Carta was signed).
