Theme: [Environment](#), [Science and Medicine](#)

*Arnie Gundersen of Fairewinds.com joins us to discuss the fallout from Fukushima in the global nuclear industry.*

Arnie brings his 39 years of experience in the nuclear industry to bear to give his assessment of what the nuclear crisis means for an industry that has long controlled the “regulators” who are supposedly watching over it.

What is the future of nuclear power, and have the nuclear priesthood been defrocked? Find out in this important GRTV Feature Interview, which was originally aired in October 2011.
