## **The Globalization of War: America’s “Long War” against Humanity by Michel Chossudovsky**

America’s hegemonic project in the post 9/11 era is the “Globalization of War” whereby the U.S.-NATO military machine —coupled with covert intelligence operations, economic sanctions and the thrust of “regime change”— is deployed in all major regions of the world. The threat of pre-emptive nuclear war is also used to black-mail countries into submission.

This “Long War against Humanity” is carried out at the height of the most serious economic crisis in modern history. [Read more...](#)

## **The Globalization of Poverty and the New World Order by Michel Chossudovsky**

This book is a skillful combination of lucid explanation and cogently argued critique of the fundamental directions in which our world is moving financially and economically.

In this new enlarged edition - which includes ten new chapters and a new introduction — the author reviews the causes and consequences of famine in Sub-Saharan Africa, the dramatic meltdown of financial markets, the demise of State social programs and the devastation resulting from corporate downsizing and trade liberalisation.
